[Africa](#) - United Nations Environment Programme 2008

This stunning 400-page Atlas is a unique and powerful publication which brings to light stories of environmental change at more than 100 locations spread across every country in Africa. There are more than 300 satellite images, 300 ground photographs and 150 maps, along with informative graphs and charts that give a vivid visual portrayal of Africa and its changing environment that provide scientific evidence of the impact that natural and human activities have had on the continent's environment over the past several decades. The observations and measurements of environmental change help gauge the extent of progress made by African countries towards reaching the United Nation's Millennium Development Goals. More importantly, this book contributes to the knowledge and understanding that are essential for adaptation and remediation, and should be of immense value to all those who want to know more about Africa and who care about the future of this continent.

The Story of a Farm Girl - Guy de Mauspassant 2016-03-30

This early work by Guy de Maupassant was originally published in the 1880's. Guy de Maupassant was born in 1850 at the Château de Miromesnil, near Dieppe, France. He came from a prosperous family, but when Maupassant was eleven, his mother risked social disgrace by trying to secure a legal separation from her husband. After the split, Maupassant lived with his mother till he was thirteen, and inherited her love of classical literature. In 1880, Maupassant published his first - and, according to many, his best - short story, entitled 'Boule de Suif' ('Ball of Fat'). It was an instant success. He went on to be extremely prolific during the 1880s, working methodically to produce up to four volumes of short fiction every year. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.

The Romance of Tristan - Beroul 2005-03-31

One of the earliest extant versions of the Tristan and Yseut story, Beroul's French manuscript of The Romance of Tristan dates back to the middle of the twelfth century. It recounts the legend of Tristan, nephew of King Mark of Cornwall, and the king's Irish wife Yseut, who fall passionately in love after mistakenly drinking a potion. Their illicit romance remains secret for many years, but the relentless suspicion of the king's barons and the fading effects of the magic draught eventually lead to tragedy for the lovers. While Beroul's work emphasizes the impulsive and often brutal behaviour of the characters, its sympathetic depiction of two people struggling against their destiny is one of the most powerful versions of this enduringly popular legend.

Simon's Papa - Guy de Maupassant 2021-03-03

Can children be even crueller than adults? Left without a father, Simon is being tortured by his peers to the point when he attempts a suicide. Luckily enough, the local blacksmith, Phillip Remy, takes him under his wing. In this heartbreaking drama, Guy de Maupassant, touches the readers' feelings by exploring human cruelty and challenging societal stereotypes. Guy de Maupassant (1850 -1893) was a French author considered a father of the modern short story. During his prolific work

life, he wrote 300 short stories, verse, travel books and novels. One of his most famous works, the novel *Bel-Ami*, inspired the 2012 movie with the same name, starring Robert Pattinson and Uma Thurman.

A Parisian Affair and Other Stories - Guy De Maupassant 2004-06-24

Set in the Paris of society women, prostitutes and small-minded bourgeoisie, and the isolated villages of rural Normandy that de Maupassant knew as a child, the thirty-three tales in this volume are among the most darkly humorous and brilliant short stories in nineteenth-century literature. They focus on the relationships between men and women, as in the poignant fantasy of 'A Parisian Affair', between brothers and sisters, and between masters and servants. Through these relationships, Maupassant explores the dualistic nature of the human character and his stories reveal both nobility, civility and generosity, and, in stories such as 'At Sea' and 'Boule de Suif', vanity, greed and hypocrisy. Maupassant's stories repeatedly lay humanity bare with deft wit and devastating honesty.

The Hand - Guy de Maupassant 2021-11-11

Sir John Rowell's death is shrouded in mystery, and the judge who narrates his story essentially turns it into a scary campfire story. Elements of hunting, sea voyaging, and savagery make this story enticing

for fans of R.M Ballantyne. "The Hand" is another example of Maupassant's experiments with the supernatural and once again it proves fruitful and successful. Guy de Maupassant (1850-1893) was a French writer. Famed for being a master of the short story, he also wrote travel books and occasionally dabbled in poetry. His stories mainly focus on the relationships between men and women sitting at crossroads in their lives - whether personal or professional. His dramatic flair is largely influenced by French novelist Gustave Flaubert and is perfect for fans of Anton Chekhov's short stories. The most notable of the 300 short stories that he wrote include 'Bel Ami', 'Une Vie', and 'The Dumpling'.

The Question Of Latin - Guy de Maupassant 2021-12-02

"The Question of Latin" follows the narrator and his memories of the olden days, when Father Piquedent used to teach him Latin. The two become friends, but soon the teacher reveals that he is not good at anything else but teaching Latin, and thus he is having financial problems. The narrator has to think of a way to help his teacher and get him out of this predicament. A tale that explores the solitude and shortcomings of an academic career, "The Question of Latin" is a rather positive story that shows how true friendship and good deeds seldom remain unrewarded. Guy de Maupassant (1850-1893) was a famous French writer, best known as one of finest practitioners of the short story. Master of style and dramatic narrative, Maupassant's stories are mainly interested in the relationships between men and women, often found at the crossroads of life. One of his greatest influences was Gustave Flaubert, who introduced him to some of the central names of the time such as Emile Zola, Henry James, and Ivan Turgenev. Some of his best known works include the novels "Bel Ami" and "Une Vie", more than 300 short stories, travel books, and even an attempt at poetry.

Foreign Words - Vassilis Alexakis 2006

Foreign words are compassionate. They tell you stories only to encourage you to tell your own. This story is a journey with the teller from Paris to Africa via Athens, where he buries his father and closes up his parents' house forever. He cannot write "my father is dead" in his native Greek or his adopted French. But Sango lets him. And it lets us

into this profound meditation on the magical, healing power of words.

A Cornish Affair - Liz Fenwick 2013-05-23

In the bestselling tradition of Rosamund Pilcher, a gloriously romantic novel of secrets and history, from the author of the highly popular THE CORNISH HOUSE. Running out on your wedding day never goes down well. When the pressure of her forthcoming marriage becomes too much, Jude bolts from the church, leaving a good man at the altar, her mother in a fury, and the guests with enough gossip to last a year. Guilty and ashamed, Jude flees to Pengarrock, a crumbling cliff-top mansion in Cornwall, where she takes a job cataloguing the Trevillion family's extensive library. The house is a welcome escape for Jude, full of history and secrets, but when its new owner arrives, it's clear that Pengarrock is not beloved by everyone. As Jude falls under the spell of the house, she learns of a family riddle stemming from a terrible tragedy centuries before, hinting at a lost treasure. And when Pengarrock is put up for sale, it seems that time is running out for the house and for Jude.

Lord Arthur Savile's Crime, and Other Stories Annotated - Oscar Wilde
2021-03-02

"Lord Arthur Savile's Crime, And Other Stories is a collection of short semi-comic mystery stories that were written by Oscar Wilde and published in 1891. This story was first published in The Court and Society Review, in late 1887. The main character, Lord Arthur Savile, is introduced by Lady Windermere to Mr Septimus R. Podgers, a chiromantist, who reads his palm and tells him that it is his destiny to be a murderer. Lord Arthur wants to marry, but decides he has no right to do so until he has committed the murder. His first attempted murder victim is his elderly Aunt Clementina, who suffers from heartburn. Pretending it is medicine, Lord Arthur gives her a capsule of poison."

Palmyra - Paul Veyne 2017-04-26

Located northeast of Damascus, in an oasis surrounded by palms and two mountain ranges, the ancient city of Palmyra has the aura of myth. According to the Bible, the city was built by Solomon. Regardless of its actual origins, it was an influential city, serving for centuries as a caravan stop for those crossing the Syrian Desert. It became a Roman province under Tiberius and served as the most powerful commercial center in the Middle East between the first and the third centuries CE. But when the citizens of Palmyra tried to break away from Rome, they were defeated, marking the end of the city's prosperity. The magnificent monuments from that earlier era of wealth, a resplendent blend of Greco-Roman architecture and local influences, stretched over miles and were among the most significant buildings of the ancient world—until the arrival of ISIS. In 2015, ISIS fought to gain control of the area because it was home to a prison where many members of the outlawed Muslim Brotherhood had been held, and ISIS went on to systematically destroy the city and murder many of its inhabitants, including the archaeologist Khaled al-Asaad, the antiquities director of Palmyra. In this concise and elegiac book, Paul Veyne, one of Palmyra's most important experts, offers a beautiful and moving look at the history of this significant lost city and why it was—and still is—important. Today, we can appreciate the majesty of Palmyra only through its pictures and stories, and this book offers a beautifully illustrated memorial that also serves as a lasting guide to a cultural treasure.

On a Spring Evening - Guy de Maupassant 2020-09-29

Can a single evening be perfect? It can if you ask a couple in love. The short story "On a Spring Evening" by Guy de Maupassant, who is widely considered the master of French Naturalism, is a picturesque tale of love set in the 19th century. Cousins Jeanne and Jacques are set to be married, much to the glee of their parents. As they take a stroll on a spring evening, their emotions seem to get the best of them. The story

paints a vivid picture of a scenic night and how far a single act of kindness can go. Guy de Maupassant (1850-1893) was a prolific French writer considered a pioneer in modern short story writing. Maupassant was a protégé of French writer Gustave Flaubert and is known for novels such as *A Woman's Life* and short stories including "The Horla" and "The Dumpling." Maupassant's stories fall into the Naturalist movement, often depicting social entanglements and complex human fates. They have inspired countless film adaptations including the French-Belgian drama called *A Woman's Life* (2016).

The Orphan - Guy de Maupassant 2021-12-02

Money gets you everywhere, it can even buy happiness - if you have enough. It is a fragile thing, though, and you must be careful what you do with it. When Mademoiselle Source, a wealthy woman who has been maimed in a tragic accident, adopts an orphaned baby, she could never have predicted that the young boy would make her life a living hell. She grows more and more afraid, until one day she decides to run away from him. But is it really so easy? Maupassant's dive into an unfamiliar genre, this fast-paced crime novel is unmissable for those who enjoyed James Patterson's 'Invisible'. Guy de Maupassant (1850-1893) was a French writer. Famed for being a master of the French short story, he also wrote travel books and occasionally dabbled in poetry. His stories mainly focus on the relationships between men and women sitting at crossroads in their lives - whether personal or professional. His dramatic flair is largely influenced by French novelist Gustave Flaubert and is perfect for fans of Anton Chekhov's short stories. Paul's Mistress - Guy de Maupassant 2018-05-31

Paul's Mistress By Guy de Maupassant In 1880 he published what is considered his first great work, 'Boule de Suif', (translated as 'Dumpling', 'Butterball', 'Ball of Fat', or 'Ball of Lard') which met with a success that was both instant and overwhelming. Flaubert at once acknowledged that it was 'a masterpiece that will endure.' Maupassant had used his talents and experiences in the war to create something unique. This decade from 1880 to 1891 was to be the most pivotal of his career. With an audience now made available by the success of 'Boule de Suif' Maupassant organised himself to work methodically and relentlessly to produce between two and four volumes of work a year. The melding of his talents and business sense and the continual hunger of sources for his works made him wealthy. In his later years he developed a desire for solitude, an obsession for self-preservation, and a fear of death as well as a paranoia of persecution caused by the syphilis he had contracted in his youth. On January 2nd, 1892, Maupassant tried to commit suicide by cutting his throat. Unsuccessful he was committed to the private asylum of Esprit Blanche at Passy, in Paris. It was here on July 6th, 1893 that Henri René Albert Guy de Maupassant died at the age of only 42. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality

product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. Fauves and Fauvism - Jean Leymarie 1987

"Excited handling of pure colors and drastic simplification of line: such was Fauvism, the first art revolution of the twentieth century ... This comprehensive study illustrates the work of some twenty artists, French, German, Dutch and Russian, and fills in the essential background of pre-Fauvism going back to Monet, Gauguin and Van Gogh."--Back cover.

The Elixir of Life - Honore de Balzac 2014-09-01

Some of the short stories in the Philosophical Studies section of Honore de Balzac's The Human Comedy have hints of the mystical and supernatural. These elements are very pronounced in the spine-chilling tale "The Elixir of Life," which veers into the territory of gothic horror. In the story, a dying man confides to his son that he has found a way to cheat death and achieve immortality.

The Kiss - Guy Maupassant 2021-11-02

When a young girl gets her heart broken, her beloved aunt embarks on an exploration of the art of kissing. The aunt explains in a series of letters that all of the misfortunes that the girl has been met with are a result of her lack of experience with kissing. Love and passion intertwine in this timeless journey, and Maupassant's delightful humor makes it a lighthearted read for all fans of romance. Guy de Maupassant (1850-1893) was a French writer. The Horla - Guy de Maupassant 2019-03-24

Le Horla is a fantastic short story by Maupassant written in 1887. This is one of the last fantastic stories Maupassant wrote. The Horla is in the

form of an unfinished diary that raises fears that its owner may have gone mad. The Horla marks the first signs of the madness of its author, Guy de Maupassant, who died 3 years later, in a paranoia and total madness.
