Pastoral Care - Pope Gregory I 2022-01-04
Pastoral Care, or The Book of the Pastoral Rule, is a treatise on the responsibilities of the clergy written by Pope Gregory I in which he contrasted the role of bishops as pastors of their

flock with their position as nobles of the church: the definitive statement of the nature of the episcopal office. Gregory enjoined parish priests to possess strict personal, intellectual and moral standards which were considered, in certain

quarters, to be unrealistic and beyond ordinary capacities. The influence of the book, however, was vast and became one of the most influential works on the topic ever written. It was translated and distributed to every bishop within the Byzantine Empire.

Written by Charles Spurgeon, important preacher Christian.

Introduction to the Psalms - Nancy L. DeClaissé-Walford 2012-11

Introduction to the Psalms: A Song from Ancient Israel seeks to provide the reader with a solid introduction to the Hebrew Psalter, one that is informed by an interest in its shape and shaping. The author, Nancy deClaissé-Walford, provides an up-to-date study on the poetic style of the psalms in the Psalter, their Gattungen or

genres, the broad shape of the book, and the history of its shaping. She introduces each of the five books of the Psalter, providing a detailed examination of those individual psalms that are either key to the shaping of the Psalter or interesting studies in poetic style. In the final chapter, deClaissé-Walford draws conclusions about the shape of the Psalter and about its story and message. She proposes a way to read the Psalms as a unified whole and in relationship to one another rather than as individual pieces, giving an inclusive, all-encompassing shape to the Psalter. Included are two appendices that provide a listing of the superscriptions and Gattungen of the psalms in the Hebrew Psalter and an explanation of many of the technical terms found in their superscriptions.

Holy Scripture - G. C. Berkouwer 1975

Becoming a vampire saved Alyssa from death, but the price was high: the loss of everything and everyone attached to her mortal life. She's still learning to cope when a surprise

confrontation with Santino Vitale, the Acta Sanctorum's most fearsome hunter, sends her fleeing back to the world she once knew, and Fallon, the friend she's missed more than anything. Alyssa breaks vampire law by revealing her new, true self to her old friend, a fact which causes strong division in the group that should support her most: her clan. Worse yet, her revelation entangles Fallon in the struggle between vampires and hunters and The Acta Sanctorum is ready to attack again, with a new army of hybrid creations: the Frenzy Soldiers. If Alyssa hopes to survive and keep her mortal friend safe, she'll have to be willing to make a deal with the enemy, and regain her clan's support. It will take everyone working together in a precarious truce to fight against the Acta Sanctorum's new threat.

The Liturgical Year - Dom Prosper Gueranger
2017-11-20

Excerpt from *The Liturgical Year: The Time After Pentecost, Vol; I* This section of the

Liturgical Year, which com prises a little more or a little less than six months, according as Easter is early or late, has always had the character it holds at present. But, although it only admits detached solemnities and Feasts, the influence of the moveable portion of the Cycle is still observable. It may have as many as twenty eight, or as few as twenty-three weeks. This varia tion depends not only upon the Easter Feast, which may occur on any of the days between the 22nd of March and 25th of April, inclusively; but, also, on the date of the first Sunday of Advent, the open ing of a new Ecclesiastical Year, and which is always the Sunday nearest the Kalends of December. The Pre-Wrath Rapture of the Church - Marvin J. Rosenthal 1990

In a readable, informative style, (complete with twenty-five charts), Rosenthal takes a fresh look at the biblical prophecies concerning end-times events and helps us understand what impact they should have on our daily Christian lives.

Global Models and the International Economic Order - Sam Cole 1977

Jesus, Qumran, and the Vatican - Otto Betz 1994

Did the Vatican suppress the publication of the Dead Sea Scrolls? Why has there been such a delay in making them public? Do they radically call in question the Christian understanding of

Jesus? These and many other questions have been asked in recent popular books, and there have been charges of fraud, deceit and cover-ups. In Jesus, Qumran and the Vatican, two distinguished German scholars examine these issues and more, producing a highly readable and reliable account of the present state of research on the Scrolls and their significance and implications for Christianity. The result is a scholarly mystery tale which readers will not be able to put down. `A courageous refutation of absurd assertions, half-truths and lies about the Qumran scrolls, the origins of Christianity and the Catholic Church' (Martin Hengel, University of Tubingen). `A telling refutation of the fantastic and extraordinary claims recently made about the Dead Sea Scrolls and their relation to Jesus of Nazareth, early Christianity and the Vatican' (Joseph A. Fitzmyer, SJ, Catholic University of America). `Critics claim the Dead Sea Scrolls prove that the church's portrait of Jesus is grotesquely inaccurate. Other

contend that the Vatican has been "hiding" the Scrolls because they would damage the faith of Christians. In an informed and engaging way, Betz and Riesner now speak to these concerns and reveal who are the fools' (James H. Charlesworth, Princeton Theological Seminary). God's Future for Animals - Raymond R. Hausoul 2021-08-16

God loves animals and gives them a special place in creation. So, do animals also have a place in God's work of redemption? Will there be animals on the new Earth? Will we see our beloved pets in the afterlife? This book takes up the challenge to think in a responsible way through these questions. The author focuses in particular on the physical restoration, the prophetic proclamation of the coming animal peace, the attitude of God and humanity towards animals, and the question of the relationship between biblical life, the future of animals, and vegetarianism. What can the Bible and Christian doctrine reveal to us about God's way with

animals?

Sermons in Solitary Confinement - Richard Wurmbrand 1969

Jesus, Gnosis and Dogma - Riemer Roukema 2010-02-18

In *Jesus, Gnosis and Dogma* Roukema investigates and assesses the various views of Jesus in early Christianity, basing his approach on a distinction between historical and theological statements about Jesus. Historical statements can be arrived at through a critical study of the earliest records, although Roukema recognizes that scholars differ widely here. Theological statements about Jesus are to do with what has been and is believed about him. Roukema demonstrates that Gnostic traditions about Jesus mostly derive from the earlier traditions preserved in the New Testament writings and do not give a more accurate view of the historical Jesus. He shows that the view of Jesus as the divine Lord (Yahweh) and Son of

God is inspired by an early Jewish pattern that was exploited by the very first Christians. In spite of some later dogmatic precisions, there is more continuity between the New Testament picture of Jesus and the Nicene creed than between the historical Jesus and the Jesus of early Gnosticism. Even the essence of the Trinitarian dogma appears to have Jewish roots.

Rhetorical Criticism - Phyllis Tribble 1994
Professor Tribble examines rhetorical criticism as a discipline within biblical studies. In Part One, she surveys historical antecedents and presents samples of rhetorical analysis. In Part Two, Tribble applies formulated guidelines to the book of Jonah, revealing clearly the relationship between artistry and theology.

The Prophets - Abraham J. Heschel 2001-10-16
Abraham Heschel is a seminal name in religious studies and the author of *Man Is Not Alone* and *God in Search of Man*. When *The Prophets* was first published in 1962, it was immediately recognized as a masterpiece of biblical scholarship. *The Prophets* provides a unique opportunity for readers of the Old Testament, both Christian and Jewish, to gain fresh and deep knowledge of Israel's prophetic movement.

The author's profound understanding of the prophets also opens the door to new insight into the philosophy of religion.

The Ultimate Intention - DeVern F. Fromke
2016-10-21

Scores of pastors and leaders testify: "THIS CHANGED MY LIFE AND MINISTRY." The author considers these critical questions: In the beginning, before God created Adam (mankind), what was His original purpose and plan for him? What could have happened in the Garden of Eden if Adam had not sinned and God's redemptive plan had not become necessary? We know that when God created Adam he received natural life, but how did God plan for Adam to receive Divine (uncreated life)? What is the difference between God's creating and begetting work? It is evident that God has given the Cross a central place in His redemptive working; what is the difference between the work of the Cross and the way of the Cross? Since God, in the fullness of time, will put on display His Divine

masterpiece before all the universe, how can we fully cooperate with him if we do not understand His Ultimate Intention?

Christendom and Christianity in the Middle Ages
- Adriaan Bredero 1994

This is a print on demand book and is therefore non- returnable. Though buffeted on all sides by rapid and at times cataclysmic social, political, and economic change, the medieval church was able to make adjustments that kept it from becoming simply a fossil from the past rather than an enduring institution of salvation. The dynamic interaction between the medieval church and society gives form to this compelling and well-informed study by Adriaan Bredero. By considering medieval Christianity in full relation to its historical context, Bredero elucidates complex medieval realities -- many of which run counter to common modern notions about the Middle Ages. Bredero moves beyond the usual treatment of history by framing his overall discussion in terms of a fascinating and relevant

question: To what extent is Christianity today still molded by medieval society? The book begins with an overview of religion and the church in medieval society, from the early Christianization of Western Europe through the fifteenth century. Bredero counters earlier romanticized assessments of the Middle Ages as a thoroughly Christian period by arriving at a definition of Christendom, not in its original sense as the empire of Charlemagne, but rather as "the countries, people, and matters which stood under the influence of Christ."

Enter the Rest - Israel Harel 2017-01-30

Israel Harel casts a completely new light on the New Testament book of Hebrews that will educate even the most seasoned Christ follower. The author explores the backdrop of Jewish culture and concerns into which the Epistle to the Hebrews was written, unpacking the references to Jewish history to help the modern reader (Jew or Gentile) better understand what Jesus has done for each of us. He explores the questions and difficulties addressed in the epistle, while discussing long-standing trends in Judaism and how Jesus fulfills Biblical Judaism and transcends Rabbinical Judaism. Through these discussions, one theme comes through loud and clear: the Epistle to the Hebrews is a

strong call to intimacy with God in the Holy of Holies. It is a call to enter into the Sabbath rest of God, into the place where He is all in all. Israel Harel was born to a secular Jewish family who came as pioneers to the Land of Israel in the early 20th century. Israel heard the Gospel for the first time as a hippie in the early seventies. Not wanting anybody to tell him what to do, he ran away from God for six years. After living homeless in the streets and spending two and a half years in a mental hospital, Israel finally gave himself up and surrendered to Jesus, who did a great work of healing in Israel's life. He came back to Israel and helped pioneer many Evangelistic works around the country. He has also reached out to lost people for the Lord in South Africa and the US. After serving in foreign lands for ten years he came back to Israel and led the work of starting a new Hebrew speaking Messianic congregation in the Jezreel valley (Armageddon) in north Israel. Israel has used his teaching and speaking gifts in many parts of the

world. He is married to Shlomit and has three sons.

Spirituality Renewed - Hein Blommestijn 2003

This volume contains nine essays on aspects of the Modern Devotion and its influence. Six studies deal with the spiritual development of important representatives of this late medieval church reform movement: Geert Grote, founder of the movement (two contributions), Jan Brinckerinck, Gerard Zerbolt van Zutphen (two contributions) and Alijt Bake, a female mystic who is not widely known outside the Low Countries. The three remaining studies bear upon the nunnery 'Sanct-Agnetenhuus' in Kampen, the devotion to Liduina, the 'Virgin of Schiedam', from the Middle Ages until the present day and a fifteenth-century *ars moriendi* here for the first time edited with full commentary. The collection has been edited by staff members of the Titus Brandsma Institute in Nijmegen. The study of the spirituality and history of the Modern Devotion is one of the key

topics of interest in this Institute. An innovative analysis of aspects of Thomas a Kempis's *De imitatione Christi* is currently one of the focal points of the Institute's research. In 2003 *Gerardi Magni Opera omnia*, vol. I, *Ad Gerardi Magni Opera omnia Prolegomena*. Die Forschungslage des gesamten Schrifttums und kritische Edition des Traktates *Contra turrim Traiectensem* was published in the *Corpus Christianorum* series, which contains a detailed inventory of the transmission and earlier editions of the works of Geert Grote by Rudolf Th. M. van Dijk O.Carm., to whom this collection of essays is dedicated.

Joseph Smith, the Prophet - Truman G. Madsen
2010-03-03

The Thousand-petalled Lotus - Sangharakshita (Bhikshu) 1976

Signs of Jonah - Ehud Ben Zvi 2003-01-01

In this new and refreshing approach to the story,

Ben Zvi starts with the premise that Jonah, like most books, was written to be read. He therefore concentrates on intended and unintended readership(s) of Jonah and the network of messages that they were likely to derive through their reading and rereading. He starts with the historical and social matrix of the production and reading of the book in antiquity, analyzes its self-critical approach and its metaphoric character as a comment on the genre of prophetic books and on prophets. How does the historical fact of Nineveh's destruction actually shape the reading? Or the perception of Jonah as a runaway slave? Ben Zvi demonstrates the malleability of interpretation of the Book of Jonah and its limitations, as attested in different communities of readers. He asks why certain messages are easily accepted by particular historical communities, whereas others are not raised at all.

Notes on the Hebrew Text of the Books of Kings - Charles Fox Burney 1903

Steps to Personal Revival - Helmut HAUBEIL
2020-03-17

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

The Prayer Life - Christian Duquoc 1972

I Believe in Preaching - John Stott 2014-03-13
Is preaching dead - or at least dying? In a digital age, where congregations have unprecedented access to resources, do we still need sermons? John Stott's I BELIEVE IN PREACHING has been essential reading for ministers, students and lay preachers for over three decades. Its message is as relevant today as ever. 'I do believe in preaching. . . I believe that nothing is better calculated to restore health and vitality to the Church or to lead its members into maturity in Christ than a recovery of true, biblical,

contemporary preaching.' John Stott This edition also contains a brand new introduction from the original series editor Michael Green.

Language Adaptation - Florian Coulmas 1989
Language Adaptation examines the process by which a speech community is forced to adopt an active role in making its language suitable for changing functional requirements. This wide-ranging collection of essays looks at this phenomenon from a variety of historical and synchronic perspectives, and brings together the

work of a number of leading scholars in the field. Several different languages are examined at different stages of their history, including Hebrew, Arabic, Chinese, Japanese, Kiswahili, German and Hindi. This well-informed book is a significant contribution to the existing literature on language planning, and is the first to use one theoretical concept to deal with the relationship between natural and deliberate language change. It shows that language adaptation is a particular aspect of language change, and thus establishes a link between the social and the historical study of language. It will appeal to graduate students and professionals in linguistics and the social sciences, as well as to practitioners of language planning.
