Worship Old and New - Robert E. Webber 2009-12-15

“A worship that will have staying power is a worship that is firmly grounded in the old, yet aware of and concerned for new ways to respond to the old, old story.” In the first edition of *Worship Old and New*, Robert E. Webber introduced an approach to worship that blended historical and traditional practices with contemporary elements. Since then, the spreading fires of worship renewal have provided opportunity for fresh consideration. This significantly revised edition is the result of Webber’s interaction with current worship trends. It is intended to be used both in the classroom and by those who want to improve worship in the local church. Reformatted for an easier, logical approach to worship theology, this revised edition of *Worship Old and New* is divided into four major sections, addressing the biblical foundation of worship, its theology, its history, and its practice. New information has been incorporated into each section to give the reader a better grasp of the biblical themes of worship, a deeper understanding of Old Testament customs, and a solid grounding in modern-day renewal movements. Especially significant is a reexamination of the actual practice of worship that goes beyond the

merely academic to provide a practical perspective through the eyes of the worship leader and worshipers. Well-versed in the best of both past and present, *Worship Old and New* is a scholarly, up-to-date, and thought-provoking resource for those serious about exploring worship.

Invading Babylon - Lance Wallnau 2013-07-16

You were transformed to transform your world! For too long, Christianity has been defined by a false concept of church. As a result, believers have built walls around their lives, keeping culture at a distance. As Christians have tried to keep culture out of the church, unfortunately, the church has kept itself out of the culture. This was never Jesus’ design for the your life! Before church was established as a place that people “came to,” Jesus instituted it as an army that brought transformation to society, starting with salvation and continuing with seven spheres of influence: Church, family, education, government, media, arts, and commerce. Six

revolutionary voices in the modern church deliver Invading Babylon. This essential guide will equip you to: Understand your vital role in shaping society. Release God's will in your sphere of influence. Become an unstoppable citizen in God's Kingdom. It's your time to arise and be a light in a dark world.

Charismatic Captivation - Steven Lambert 2015-09-01

Multitudes of sincere and trusting believers are caught in the virtually invisible web of religious captivity in the churches they attend, ministries they are under, and networks they are aligned with...and don't know it! These faithful followers of Christ are unaware victims of spiritual abuse, psychological enslavement, and exploitation perpetrated under the heavy-hand of hyper-authoritarianism. That is to say, the leadership of the church-group of which they are a part is dominating, controlling, manipulating, and exploiting their followers for personal gain and private kingdom-building. Through systematic indoctrination, victims are duped into accepting as biblical and beneficial the oppressive and abusive predominance imposed upon them by unscrupulous, tyrannical church-leaders. Without realizing the spiritual effect of what they are doing, myriads of sincere, faithful believers, in submitting themselves and surrendering unto their spiritual leaders their God-given right to self-governance, have become what God explicitly admonished against: "DO NOT BECOME SLAVES OF MEN!" (1 Cor. 7:23). Authoritarian abuse (aka, "spiritual abuse") is one of the most widespread and troubling problems facing the Church today. Indeed, the truth is that ecclesiastical enslavement and exploitation is pandemic in many sectors of 21st Century Christendom, though those churches and ministries employing it go to great lengths to disguise and conceal it. Though religious predominance is certainly nothing new, and hyper-authoritarianism is by no means limited to the Neo-Pentecostal branch of the Church, it has especially flourished in Charismatic and other Neo-Pentecostal groups since it was infused into the fabric, foundation, and functions of that branch of the Church in the early- to mid-seventies through what became known as the "Discipleship or Shepherding Movement." The doctrines and practices spawned in that false movement remain an integral part of

the operations of many churches and groups yet today! Written from an "insider's" perspective by a noted and respected Charismatic minister, *Charismatic Captivation*, has been appraised and praised by ministers, scholars, theologians, church leaders, and laymen as one of the most comprehensive and convincing volumes written to date on the prevalent problem of authoritarian abuse, yet without the "Charismatic-bashing" characteristic of other books citing Neo-Pentecostal abuses.

The Coming Great Reformation - Andrew Strom 2008-06

Andrew Strom is an international author and speaker, founder of RevivalSchool.com and the international REVIVAL List. In this book, he speaks of the many visions and prophecies that have come forth of a great "shaking" - a tidal wave of Change - coming to the church. Why did God speak to a leading U.S. intercessor in the 1980's that, "I am going to change the understanding and expression of Christianity in the EARTH in one generation"? God wants His church back. There must be a return to the purity and power of the Book of Acts. God is going to "SHAKE" the nations of the world until this is accomplished. Read these visions that went all over the earth when they were published - and ask yourself, "Has this Shaking now begun?" A timely and provocative book for every Christian concerned with the future of the church. A call for a return to a true and vibrant Christianity - but not as we know it.

The Journey of Desire - John Eldredge 2016-09-13

In his groundbreaking book, *The Journey of Desire*, John Eldredge invites readers to: Rediscover their God-given desire. Abandon resignation. Search again for the life they once dreamed of. Sometimes it seems we just can't get what we want. Circumstances thwart our best-laid plans. We struggle to live a heartfelt life. Worst of all, says Eldredge, the modern church mistakenly teaches its people to kill desire (calling it sin) and replace it with duty or obligation (calling it sanctification). As a result, at best Christians tend to live safe, boring lives of resignation. At worst, their desire eventually breaks out in destructive ways such as substance abuse, affairs, and pornography addictions.

Your Church Is Too Small - John H. Armstrong 2010-03-23

"I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you." Too often, these words of Jesus from John 17:20-21 seem like an unreachable ideal. But in *Your Church Is Too Small*, John Armstrong shows that Jesus' vision of Christian unity is for all God's people across social, cultural, racial, and denominational lines. "With attention to his own pilgrimage and growth in ecclesial awareness, John Armstrong explores here the evangelical heart and ecumenical breadth of churchly Christianity. I am encouraged by his explorations and commend this study to all believers who pray and labor for the unity for which our Savior prayed." - Timothy George, senior editor, *Christianity Today*. "Dr. Armstrong's irenic approach should make it easy for Christians—whether Catholic, Orthodox, or Protestant—to engage the challenging thesis of the book, while recognizing that there remain points of doctrine between them which will require further clarification. Anyone concerned about either evangelism or Christian unity should read this book, and take seriously its call for both mission and ecumenism." - Fr. Thomas A. Baima, Provost, University of Saint Mary of the Lake John Armstrong is one of those Evangelical theologians—may their tribe increase and the valley abound with their tents—who know that full obedience to Christ embraces the historical transmission through which we know him. This book refuses to scale down the bearer of that tradition—the historical

church, that is—or reduce the authority of its voice. – Fr. Patrick Henry Reardon, senior editor, Touchstone “It's a must for anyone who has grown weary with Christian divisiveness and schism and longs to discover ways of strengthening the bonds that unite us in the Spirit of Christ.” – Chuck Colson

Why I Left the Prophetic Movement.. [New 2012 Edition] - Andrew Strom 2008-04-01

Where are the fiery prophets of today - the piercing Revivalists of old? Why do we have "gold dust," feathers, "holy laughter" and Charismatic

chaos, instead of weeping and deep repentance? In this book, Revival preacher Andrew Strom tells of what he saw and why he left the modern Prophetic movement after eleven years' involvement. And how the announcement of his leaving shook the movement. What is real Revival? And how does it differ from what we are seeing? What are real prophets of God supposed to be like? And how do you discern true signs and wonders from the false? All these questions and more are answered in this provocative book. Andrew Strom is founder of "RevivalSchool-com" and editor of the Revival List. For many years he was known as a "publisher of the prophets" - until his shock announcement in 2004 that he was publicly quitting the movement. This is his story why. FROM THE REVIEWS: "This book left me in tears, weeping for a restoration of the true gospel and with such a yearning to see real revival in our nation..."

The story hits Betty so hard that while she tried to sleep that night she received a visitor in the form of a little boy at the foot of her bed. The haunting guest and Quinn's growing loyalty to Betty lead them to a government cover-up at a North Carolina Marine Corp Camp and to an aging Marine and his estranged wife. On the return home, along a cold dark southern highway, Betty adjusts the Town and Country's radio and a broadcast that correctly describes the night he was shot and his partner was killed sends them on a detour deep into a steel town and Quinn's past. Kundalini Warning - Are False Spirits Invading the Church? (2015 Update) - Andrew Strom 2015-03-24

Written by a genuine "Insider," this is the true story of one of the most frightening "invasions" in the history of the church - and the fight to keep it out. Andrew Strom has been part of the Charismatic movement for over 30 years - and was deeply involved in the modern "Prophetic" movement for 11 of those years. He is the founder of RevivalSchool.com and the International REVIVAL List. In this book, Strom traces this mass invasion of false spirits back to 1994, and shows how it culminated in the bizarre events surrounding Todd Bentley and the Lakeland revival in 2008. He then traces it all the way to 2015. What are 'Kundalini' spirits? What are the signs of their presence? And how can such an invasion be turned around? All this and more is discussed in this provocative book. "A 'MUST READ'" - The Voice Magazine. "The church of Jesus Christ does not realize that it has been infiltrated by demonic forces. Discernment has been lost! A book that is beyond needful." - Greg Gordon, SermonIndex. Much additional information is contained in this 2015 UPDATE to the original book.

TRUE and FALSE REVIVAL. . an Insider's Warning. . - Andrew Strom 2008-05

As an insider, Andrew questions a lot of the 'angels', the gold dust, and "revivals" like the one in Florida. Read the FACTS to find out why. What is real Revival? And how

do we tell the true from the false? The answers are found in this provocative book. From the reviews: "This is not for the faint hearted... Andrew Strom doesn't pull any punches... a powerful testimony." - D. Parker, USA. "I could not put it down..." - R. Hollingshead, USA. "A MUST READ!!" - Lu Ann Sheeder, USA. "This book left me in tears, weeping for a restoration of the true gospel and with such a yearning to see real revival." - S. Savage, Amazon.com Reviews.

Uncovering the Myth of Spiritual Covering - Steven Lambert 2016-10-26
Uncovering the Myth of Spiritual Covering is adapted from a chapter of the widely disseminated book, Charismatic Captivation-Authoritarian Abuse & Psychological Enslavement in Neo-Pentecostal Churches. That book exposes the widespread problem of authoritarian abuse that has been flourishing virtually unabated for decades since it was first infused into the very fabric, foundation, and functions of the Charismatic/Neo-Pentecostal church during the false movement known as the Discipleship/Shepherding Movement (1970-77). Owing extensively to that Movement and the teachings that were promulgated during it, hyper-authoritarian doctrines and practices have become cemented into the foundation, fabric, and functions of many churches, major segments of some denominations, as well as many of the apostolic networks of churches, ministries, and ministers that have emerged over primarily that last four or five decades. The problem has become so widespread that it has now reached pandemic proportions in Pentecostal and Neo-Pentecostal streams. The purpose of Uncovering the Myth of Spiritual Covering is to analyze against the foundation-stone of Scripture, one of the foundational elements of this hyper-authoritarian ecclesiastical culture, demonstrate its irrefutable incongruity with Scripture, and disabuse believers from acceptance of and adherence to it, thereby liberating them from the invisible chains of psychological enslavement that have been holding them in bondage to the illegitimate authority structures of men. Hyper-authoritarianism is predominance or psychological control imposed by spiritual leaders upon their followers or congregants regarding not only their involvements within the church or

ministry, but also regarding their personal and private lives. Ministries and church-groups practicing this illegitimate domination employ various means and degrees of psychological indoctrination and coercion to compel congregants or adherents to subject and conform their personal activities, behavior, and affairs of life to the leadership-prescribed standards, rules, expectations, and collective corporate goals of the church or ministry. The purported pretext for the imposition of this religious governance is an adulterated or perverted concept of ecclesiastical authority. Promulgators and practitioners adamantly claim that the mechanisms of manipulation they employ are a perfectly Scriptural system of "discipleship" or "spiritual training" in fulfillment of the role and responsibility of spiritual leaders to "make disciples." However, the fact of the matter is this kind of "discipleship" exceeds by far the bounds and intents of legitimate, that is, Scriptural and Godly, authority. This kind of so-called "shepherding" is not that which is inspired by the Good Shepherd, but by His arch-rival, Satan, rather it is blatant misuse and abuse of authority, and is Scripturally-prohibited usurpation of believers' God-given prerogative or right of personal autonomy. The author of this book, Dr. Steven Lambert, a Pentecostal/Charismatic Bible scholar and theologian, shows conclusively that so-called "spiritual covering," as theorized by those who teach, promulgate, and adhere to it, is an absolute myth and an unmitigated lie, and that indeed no semblance of the version of "spiritual covering" taught by its proponents exists anywhere within Scripture. It is a complete fabrication concocted by the originators of these fallacious doctrines by which to facilitate and perpetuate their purely self aggrandizing objectives of subjugation, domination and control of the sheep of God's Flock. Every believer in Christ who has ever been exposed to the deception of "spiritual covering," whereby hyper-authoritarian ecclesiastical autocrats use it to subjugate, dominate, and control their followers, desperately needs to read this book, and follow the "15 Rs of Recovery from Authoritarian Abuse" delineated in the book's last chapter.
