The Smart Solution Book - David Cotton
2016-10-18

THE MOST COMPREHENSIVE COLLECTION OF PROBLEM-SOLVING TOOLS, GAMES AND TECHNIQUES USED BY BRAINSTORMERS, GAMECHANGERS AND TRAILBLAZERS. As working life becomes more complex, we are increasingly faced with problems which may at first seem insoluble. The Smart Solution Book is

your guide to solving these problems, whatever their size. The Smart Solution Book explains each tool in detail – what it is, when and how to use it, its strengths and its limitations. The tools range from quick fixes, which can be used by someone working alone, to large scale solutions which can be used by groups of 100 and more. You can also use the tools separately or in combination with each other. • Frame problems so they can be solved • Find a solution to even the most intractable problem • Enjoy the process of problem solving, whether alone or in collaboration with others • Become more creative in your thinking so that, over time, solutions begin to present themselves The Smart Solution Book will change your way of thinking about business problems: apply the techniques and see the solutions unfold. “The essential guide for any problem solving situation. Effective, practical and very accessible. Highly recommended.” Chris Garthwaite, CEO CGA Consulting "There isn't a single individual or

organisation that could fail to benefit from the many practical approaches to problem-solving in this book. Everyone should read it!" Andrew Hilton, Managing Director, Corporate Training Partnerships Ltd "F. Durrenmatt says 'What concerns everyone, can only be solved by everyone' - and David's book is the practical guide to getting everyone fully engaged with a creative technique to solve any of your challenges." New Language Leader Advanced Coursebook - David Cotton 2015-02-20

New Language Leader takes an intelligent approach to building the confidence and skills students need to succeed in academic study and use English in a globalised world. The Advanced Level = CEFR: B2+ - C1 | GSE: 70 - 82 In every book you will find 12 units divided into relevant sections, such as grammar, vocabulary, reading, and writing. Exam practice is embedded at the end of each unit to prepare students for high-

stakes tests like IELTS and PTE Academic. Every lesson in New Language Leader has a scenario with a case study and "Meet the Expert" video or a Study Skills section with skills videos to support students in tertiary education: 'Meet the Expert' aspirational videos with leading professionals in different fields stretch students' ability to understand real-life English. Experts act as role models and inspire students to work harder. Study Skills videos teach your students how to do their best in academic studies. They give advice on how to better understand lectures, take notes, participate in discussions and give many other useful academic tips.

Semantics - James R. Hurford 2007-04-19

This practical coursebook introduces all the basics of semantics in a simple, step-by-step fashion. Each unit includes short sections of explanation with examples, followed by stimulating practice exercises to complete in the book. Feedback and comment sections follow each exercise to enable students to monitor their

progress. No previous background in semantics is assumed, as students begin by discovering the value and fascination of the subject and then move through all key topics in the field, including sense and reference, simple logic, word meaning and interpersonal meaning. New study guides and exercises have been added to the end of each unit to help reinforce and test learning. A completely new unit on non-literal language and metaphor, plus updates throughout the text significantly expand the scope of the original edition to bring it up-to-date with modern teaching of semantics for introductory courses in linguistics as well as intermediate students.

You Just Don't Understand - Deborah Tannen
2013-04-23

From the author of New York Times bestseller *You're Wearing That?* this bestselling classic work draws upon groundbreaking research by an acclaimed sociolinguist to show that women and men live in different worlds, made of different words. Women and men live in different worlds...made of different words. Spending nearly four years on the New York Times bestseller list, including eight months at number one, *You Just Don't Understand* is a true cultural and intellectual phenomenon. This is the book that brought gender differences in ways of speaking to the forefront of public awareness. With a rare combination of scientific insight and delightful, humorous writing, Tannen shows why women and men can walk away from the same

conversation with completely different impressions of what was said. Studded with lively and entertaining examples of real conversations, this book gives you the tools to understand what went wrong -- and to find a common language in which to strengthen relationships at work and at home. A classic in the field of interpersonal relations, this book will change forever the way you approach conversations.
