Written in Bone - Sally M. Walker 2013-11-01  
Bright white teeth. Straight leg bones.  
Awkwardly contorted arm bones. On a hot summer day in 2005, Dr. Douglas Owsley of the Smithsonian Institution peered into an excavated grave, carefully examining the fragile skeleton that had been buried there for four hundred years. "He was about fifteen years old when he

died. And he was European," Owsley concluded. But how did he know? Just as forensic scientists use their knowledge of human remains to help solve crimes, they use similar skills to solve the mysteries of the long-ago past. Join author Sally M. Walker as she works alongside the scientists investigating colonial-era graves near Jamestown, Virginia, as well as other sites in

Maryland. As you follow their investigations, she'll introduce you to what scientists believe are the lives of a teenage boy, a ship's captain, an indentured servant, a colonial official and his family, and an enslaved African girl. All are reaching beyond the grave to tell us their stories, which are written in bone.

**The Cay** - Theodore Taylor 2011-09-28

For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a

small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—New York Times Book Review "A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirkus Reviews \* "Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—School Library Journal, Starred "Starkly dramatic, believable and

compelling.”—Saturday Review “A tense and moving experience in reading.”—Publishers Weekly “Eloquently underscores the intrinsic brotherhood of man.”—Booklist “This is one of the best survival stories since Robinson Crusoe.”—The Washington Star · A New York Times Best Book of the Year · A School Library Journal Best Book of the Year · A Horn Book Honor Book · An American Library Association Notable Book · A Publishers Weekly Children’s Book to Remember · A Child Study Association’s Pick of Children’s Books of the Year · Jane Addams Book Award · Lewis Carroll Shelf Award · Commonwealth Club of California: Literature Award · Southern California Council on Literature for Children and Young People Award · Woodward School Annual Book Award · Friends of the Library Award, University of California at Irvine

**Blood on the River** - Marjoleine Kars  
2020-08-11

Winner of the Cundill History Prize Winner of the Frederick Douglass Book Prize Named One of the Best Books of the Year by NPR A breathtakingly original work of history that uncovers a massive enslaved persons' revolt that

almost changed the face of the Americas Named one of the best books of the year by NPR, *Blood on the River* also won two of the highest honors for works of history, capturing both the Frederick Douglass Prize and the Cundill History Prize in 2021. A book with profound relevance for our own time, *Blood on the River* “fundamentally alters what we know about revolutionary change” according to Cundill Prize juror and NYU history professor Jennifer Morgan. Nearly two hundred sixty years ago, on Sunday, February 27, 1763, thousands of slaves in the Dutch colony of Berbice—in present-day Guyana—launched a rebellion that came amazingly close to succeeding. *Blood on the River* is the explosive story of this little-known revolution, one that almost changed the face of the Americas. Michael Ignatieff, chair of the Cundill Prize jury, declared that *Blood on the River* “tells a story so dramatic, so compelling that no reader will be able to put the book down.” Drawing on nine hundred interrogation

transcripts collected by the Dutch when the rebellion collapsed, and which were subsequently buried in Dutch archives, historian Marjoleine Kars has constructed what Pulitzer Prize-winning historian Eric Foner calls “a gripping narrative that brings to life a forgotten world.”
