Frostgrave: Into the Breeding Pits - Joseph A. McCullough
2016-07-28

With this new supplement for Frostgrave, players can lead their warbands into the vast network of catacombs, sewers, and dungeons that run underneath the Frozen City. It was in these dark confines that the ancient wizards known as Beastcrafters experimented on living creatures, creating strange hybrids and deadly monsters, many of which still roam the forgotten passageways. Along with a host

of new scenarios, treasures, soldiers, and creatures, the book also contains rules for the traps and secret passages that are often found in the dungeons. With wonderful and rare magical treasures to be discovered, will players risk taking their warbands down into the Breeding Pits?

Stargrave - Joseph A. McCullough 2021-04-29

In a galaxy torn apart by the Last War, vast pirate fleets roam from system to system, robbing, extorting, and enslaving. Amidst this chaos, thousands of independent operators - smugglers, relic hunters, freedom fighters, and mercenaries - roam the dead stars in small ships, scratching out a living any way they can. In Stargrave, players take on the role of one of these independent operators, choosing from a range of backgrounds each with their own strengths, weaknesses, and associated powers. Next, players must hire a crew for their ship, recruiting a lieutenant with a unique skill-set and a handful of soldiers, mechanics, hackers, and other specialists. Some captains may

even recruit strange alien lifeforms with abilities no humanoid could ever possess. Once the players' crews are assembled, they are ready to dive into a campaign. Over a series of games, their crews will have the chance to carry out a variety of missions - recovering lost technology, stealing data, freeing slaves, and fighting back against the pirate fleets. In time, as the crews gain experience, they will become more powerful and hire more talented specialists. The more they grow, however, the more likely it is that a pirate fleet will take note of their activities and come after them!

Oathmark: Oathbreakers -

Joseph A. McCullough

2020-11-26

Dark necromancers have laid claim to forsaken kingdoms and summoned forth the souls of those who defiled their oathmarks. The dead, once again, march to war. As armies of wraiths and skeletal warriors bring destruction to their lands, the small kingdoms of the Marches also turn to the spirits of the dead. Gathering the most ancient and powerful of oathmarks, they recall the spectral forms of those that died in loyal battle to once again come forth in defence of their kingdoms. With these ethereal warriors joining their ranks, the kings of the Marches may yet stand. This supplement for Oathmark: Battles of the Lost Age introduces the forces of the dead to the game. Some armies will use dark magic to summon the souls and corpses of traitors from the past, while others will recall the spirits of loyal warriors that gave their

lives and willingly fight again. This book also includes expanded rules for characters, which allow you to chart their progress from battle-to-battle, and watch as they grow in rank, responsibility, and power. All of these rules are then incorporated into a campaign featuring new scenarios that together tell of an epic war for survival.

can have on the hearts of New Yorkers. All the Restaurants in New York is a collection of these drawings, characterized by their appealingly loose and gently distorted lines. These transportive images are intentionally spare, leaving the viewer room to layer on their own meaning and draw connections to their own memories of a place, of a time, of an atmosphere. Featuring an eclectic mix of 100 restaurants—from Minetta Tavern to Frankies 457 and River Café—this charming collection of drawings is accompanied by interviews with the owners, chefs, and loyal patrons of these much-loved restaurants. “I love John’s spare, romantic, quirky portrayals of iconic New York restaurants so much that I purchased over a dozen of his prints to hang around my office. These places come to define our lives in New York—that job right next to Balthazar, that boyfriend who lived above Prune, that interview that took place at ‘21’ . . . They deserve this

spotlight, this tribute.”

—Amanda Kludt, Editor in Chief, Eater “John Donohue is the Rembrandt of New York City’s restaurant facades. His collection is an invaluable, evocative guide to the ever-changing, slowly vanishing landscape of the city’s great dining scene. It belongs on the bookshelf of every devout chowhound and fresser.”

—Adam Platt, Restaurant Critic, New York magazine
