Folk Horror - Adam Scovell 2017-10-24
Interest in the ancient, the occult, and the

"wyrd" is on the rise. The furrows of Robin Hardy (The Wicker Man), Piers Haggard (Blood

on Satan's Claw), and Michael Reeves (Witchfinder General) have arisen again, most notably in the films of Ben Wheatley (Kill List), as has the Spirit of Dark of Lonely Water, Juganets, cursed Saxon crowns, spaceships hidden under ancient barrows, owls and flowers, time-warping stone circles, wicker men, the goat of Mendes, and malicious stone tapes. Folk Horror: Hours Dreadful And Things Strange charts the summoning of these esoteric arts within the latter half of the twentieth century and beyond, using theories of psychogeography, hauntology, and topography to delve into the genre's output in film, television, and multimedia as its "sacred demon of ungovernableness" rises yet again in the twenty-first century.

When a visiting author is suspected of murder, the case is hardly open and shut in this English village mystery novel by the author of *Death in Disguise*. The Midsomer Worthy's Writers' Circle has never had much luck in attracting guest speakers. Consequently, there is much surprise when best-selling novelist Max Jennings accepts their invitation. But the members are even more surprised by their secretary, Gerald Hadleigh, who furiously objects to hosting Jennings—and offers no explanation. Surprise turns into a variety of responses when Hadleigh is found dead the morning after Jennings' visitation. Chief Inspector Barnaby soon determines that

the key to solving the murder will lie with the illustrious Jennings. There's only one problem: the famous author has disappeared.

Maggie Murders - Anthony Horowitz

2017-06-06

Soon to be a series on PBS MASTERPIECE! "A double puzzle for puzzle fans, who don't often get the classicism they want from contemporary thrillers." —Janet Maslin, *The New York Times* *New York Times* bestseller | Winner of the Macavity Award for Best Novel | #1 Indie Next Pick | NPR best book of the Year | Washington Post best book of the Year | Esquire best book of the Year From the *New York Times* bestselling author of *Moriarty* and *Trigger Mortis*, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery. When editor Susan Ryeland is given the manuscript of Alan Conway's latest novel, she has no reason to think it will be much different from any of his others. After working with the

bestselling crime writer for years, she's intimately familiar with his detective, Atticus Pünd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alan's traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job. Conway's latest tale has Atticus Pünd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more she's convinced that there is another story hidden in the pages of the manuscript: one of real-life jealousy, greed, ruthless ambition, and murder. Masterful, clever, and relentlessly suspenseful, *Magpie Murders* is a deviously dark take on vintage English crime fiction in which the reader becomes the detective.

Odd, considering he didn't drink. Why this bottle? And why those words? And why was a three-digit number painted on the wall by the killer? And, most importantly, which of the man's many, many enemies did the deed? Baffled, the police are forced to bring in Private Investigator Daniel Hawthorne and his sidekick, the author Anthony, who's really getting rather good at this murder investigation business. But as Hawthorne takes on the case with characteristic relish, it becomes clear that he, too, has secrets to hide. As our reluctant narrator becomes ever more embroiled in the

case, he realizes that these secrets must be exposed—even at the risk of death . . .

Moonflower Murders - Anthony Horowitz 2020-11-10

Featuring his famous literary detective Atticus Pund and Susan Ryeland, hero of the worldwide bestseller *Magpie Murders*, a brilliantly complex literary thriller with echoes of Agatha Christie from New York Times bestselling author Anthony Horowitz. Retired publisher Susan Ryeland is living the good life. She is running a small hotel on a Greek island with her long-term

boyfriend Andreas. It should be everything she's always wanted. But is it? She's exhausted with the responsibilities of making everything work on an island where nothing ever does, and truth be told she's beginning to miss London. And then the Trehearnes come to stay. The strange and mysterious story they tell, about an unfortunate murder that took place on the same day and in the same hotel in which their daughter was married—a picturesque inn on the Suffolk coast named Farlingaye Hall—fascinates Susan and piques her editor's instincts. One of her former writers, the late Alan Conway, author of the fictional Magpie Murders, knew the murder victim—an advertising executive named Frank Parris—and once visited Farlingaye Hall. Conway based the third book in his detective series, *Atticus Pund Takes the Cake*, on that very crime. The Trehearne's, daughter, Cecily, read Conway's mystery and believed the book proves that the man convicted of Parris's murder—a Romanian immigrant who was the hotel's

handyman—is innocent. When the Trehearnes reveal that Cecily is now missing, Susan knows that she must return to England and find out what really happened. Brilliantly clever, relentlessly suspenseful, full of twists that will keep readers guessing with each revelation and clue, *Moonflower Murders* is a deviously dark take on vintage English crime fiction from one of its greatest masterminds, Anthony Horowitz. Death of a Hollow Man - Caroline Graham

2014-10-15

An onstage murder in a small English village draws the beloved detective into “a theatrical whodunit worthy of a deep bow” (The New York Times). Actors do love their dramas, and the members of the Causton Amateur Dramatic Society are no exception. However, even the most theatrically minded have to admit that murdering the leading man in full view of the audience is a bit over the top. Luckily, Inspector Barnaby is in that audience, and while he may lack certain skills as a theater critic, he’s just the man to catch a killer. In this second Barnaby mystery, the inspector is in his element, and so is author Caroline Graham, a former actress, who tweaks her collection of community-theater artistes and small-town drama queens with merciless delight. *Death of a Hollow Man* was the basis for the second episode in season one of the acclaimed ITV crime drama *Midsomer Murders*.

Radio's Legacy in Popular Culture - Martin Cooper 2022-01-27

Examining work by novelists, filmmakers, TV producers and songwriters, this book uncovers the manner in which the radio - and the act of listening - has been written about for the past 100 years. Ever since the first public wireless broadcasts, people have been writing about the radio: often negatively, sometimes full of praise, but always with an eye and an ear to explain and offer an opinion about what they think they have heard. Novelists including Graham Greene, Agatha Christie, Evelyn Waugh, and James Joyce wrote about characters listening to this new

medium with mixtures of delight, frustration, and despair. Clint Eastwood frightened moviegoers half to death in *Play Misty for Me*, but Lou Reed's 'Rock & Roll' said listening to a New York station had saved Jenny's life. *Frasier* showed the urbane side of broadcasting, whilst *Good Morning, Vietnam* exploded from the cinema screen with a raw energy all of its own. Queen thought that all the audience heard was 'ga ga', even as The Buggles said video had killed the radio star and Tom Petty and the Heartbreakers lamented 'The Last DJ'. This book explores the cultural fascination with radio; the act of listening as a cultural expression - focusing on fiction, films and songs about radio. Martin Cooper, a broadcaster and academic, uses these movies, TV shows, songs, novels and more to tell a story of listening to the radio - as created by these contemporary writers, filmmakers, and musicians.
