[Sole Survivor](#) - Holly Dunn 2017-11-07

A memoir of hope, healing, and survival, sure to resonate with fans of Jaycee Dugard's *A Stolen Life* and Elizabeth Smart's *My Story*. On August 28, 1997, just as she was starting her junior year at the University of Kentucky, Holly Dunn and her boyfriend, Chris Maier, were walking along railroad tracks on their way home from a party when they were attacked by notorious serial killer Angel Maturino Reséndiz, aka The Railroad Killer. After her boyfriend is beaten to death in front of her, Holly is stabbed, raped, and left for dead. In this memoir of survival and healing from a horrific true crime, Holly recounts how she lived through the vicious assault, helped bring her assailant to justice, and ultimately found meaning and purpose through service to victims of sexual assault and other violent crimes. She has worked as a motivational speaker and activist and founded Holly's House, a safe and nurturing space in her hometown of Evansville, Indiana.

[Moguls, Monsters, and Madmen](#) - Barry Avrich 2016-05-01

Barry Avrich — a self-made, Montreal-born film producer/director, flamboyant advertising executive, and legendary biographer and connector of moguls and stars. For over three decades, he has relentlessly produced films on some of the most notorious show-business titans and also found the time to market and promote feature films, concerts, and the biggest shows on Broadway. In his memoir, *Moguls, Monsters, and Madmen*, Barry takes readers from his early days, shaping his brand as a creative adman with the infamous Garth Drabinsky and witnessing the genius of legendary Rolling Stones promoter Michael Cohl, to his acclaimed documentaries on Harvey Weinstein, Lew Wasserman, Bob Guccione, and many others. Go behind the scenes on his most provocative films — like *The Last Mogul*, *Unauthorized*, and *Filthy Gorgeous* — and follow Barry as he moves from the power rooms of Hollywood to the launches of incredible brands while hanging around with royalty, rogues, clients, and confidants. An extraordinary raconteur, Barry spares no one, least of all himself, as he details his extraordinary relationships and encounters with everyone from Frank Sinatra, Quincy Jones, and Vanity Fair columnist Dominick Dunne to Mick Jagger and Keith Richards. *Moguls, Monsters and Madmen* is a sharp and witty exposé of show business and notorious characters.

[Written in Blood](#) - Diane Fanning 2005-02-01

An army brat-turned-marine, he saw combat in Vietnam, and returned a decorated soldier. An avid reader, his dreams of being an acclaimed novelist came true. His desire to find love was fulfilled when he married brilliant executive Kathleen Atwater, the first female student accepted at Duke University's School of Engineering. The Petersons seemed the ideal academic couple- well-respected, prosperous, and happy. All that came crashing down in December of 2001, when Kathleen apparently fell to her death in their secluded home in an exclusive area of Durham, North Carolina. But blood spattered evidence and a missing fireplace poker suggested calculated, cold-blooded murder. Her trusted husband stood accused. Prosecutors introduced evidence at trial that sixteen years earlier, Peterson was one of the last people to see his neighbor alive before she was found dead at the bottom of a staircase in her home in Germany. A dramatic trial followed in the explosive final chapter of a life that no novelist could ever have conceived... *Written in Blood* is a 2006 Edgar Award Nominee for Best Fact Crime.

[The Amityville Horror](#) - Jay Anson 2019-12-03

“A fascinating and frightening book” (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—“this book will scare the hell out of you” (Kansas City Star).

[Couple Found Slain](#) - Mikita Brottman 2021-07-06

“Mikita Brottman is one of today's finest practitioners of nonfiction.” —The New York Times Book Review Critically acclaimed author and psychoanalyst Mikita Brottman offers literary true crime writing at its best, taking us into the life of a murderer after his conviction—when most stories end but the defendant's life goes on. On February 21, 1992, 22-year-old Brian Bechtold walked into a police station in Port St. Joe, Florida and confessed that he'd shot and killed his parents in their family home in Silver Spring, Maryland. He said he'd been possessed by the devil. He was eventually diagnosed with schizophrenia and ruled “not criminally responsible” for the murders on grounds of insanity. But after the trial, where do the "criminally insane" go? Brottman reveals Brian's inner life leading up to the murder, as well as his complicated afterlife in a maximum security psychiatric hospital, where he is neither imprisoned nor free. During his 27 years at the hospital, Brian has tried to escape and been shot by police, and has witnessed three patient-on-patient murders. He's experienced the drugging of patients beyond recognition, a sadistic system of rewards and punishments, and the short-lived reign of a crazed psychiatrist-turned-stalker. In the tradition of *One Flew Over The Cuckoo's Nest*, *Couple Found Slain* is an insider's account of life in the underworld of forensic psych wards in America and the forgotten lives of those held there, often indefinitely.

[See How Much You Love Me](#) - Amber Hunt 2014-06-03

Describes how seventeen-year-old Tyler Hadley bludgeoned his parents to death in their home and then invited his friends over for a party.

[No Saints in Kansas](#) - Amy Brashear 2017

Outsider Carly Fleming tries to clear a local man's name in a small town murder investigation.

[A Perfect Husband](#) - Aphrodite Jones 2012-07-11

From a New York Times–bestselling author: A searing account of cold-blooded murder as told by “one of the chief practitioners of the true crime genre” (The Baltimore Sun). Michael Peterson was a decorated war veteran and bestselling novelist. His wife, Kathleen, was a high-powered executive and devoted mother. To everyone who knew them, they seemed to be the perfect couple living a life most people would kill for. Then came the tragic night Michael found Kathleen at the bottom of the stairs in a pool of blood. He claimed her death was an accident. The prosecution thought different and put him on trial—and behind bars. Then, in a stunning reversal, a judge gave Michael another chance to stand trial as his children steadfastly proclaimed his innocence. But what happened next would stun observers as new evidence and bizarre theories were introduced in a legal battle that would drag on until it became one of the longest trials in state history. Aphrodite Jones draws on exclusive interviews and revelatory facts to deliver “a richly detailed and deeply researched tale of a greedy, sociopathic killer” (Caitlin Rother, New York Times–bestselling author).

[Newsweek](#) - 1995

Crime - H. Thomas Milhorn 2004-12

This book is an overview of the United States legal system, with a brief introduction to Islamic and International law. The book is divided into six parts. Part I (The Legal System and Crime) introduces the U.S. legal system and the classification of crime. Part II (White Collar Crime) covers cybercrime, crime the old fashioned way, and healthcare fraud. Part III (Homicide) deals with simple murder, serial murder, mass and spree murder; and assassination. Part IV (Special Groups) covers the mafia; the family; the medical, legal, and teaching professions; the religion profession; celebrities; and stupid criminals. Part V (On the Edge) deals with topics I consider to be a bit strange; that is, quackery, innovative defenses, and dangerous cults. And finally, Part VI (Residue) discusses what is left ... capital punishment and crimes against humanity, including terrorism. Throughout the book, to illustrate points, I have used over 300 cases of actual crimes. The names of the people and the facts of the cases used in the discussions of these crimes are taken directly from referenced news reports. The subtitle, Computer Viruses to Twin Towers, reflects the scope of the book; that is, from computer viruses, which cause only aggravation or loss of money, to the deadly terrorist attacks on the Twin Towers of the World Trade Center and the Pentagon on September 11, 2001 that snuffed out almost 3000 lives.

Too Late to Say Goodbye - Ann Rule 2008-09-04

Written within a cloistered environment to protect sources that have yet to be identified, TOO LATE TO SAY GOODBYE is a chilling portrait of two beautiful, successful women whose murders were made to look like suicides. Jenn Corbin appeared to have it all: two little boys, a posh home in the suburbs of Atlanta, and a husband - Dr Bart Corbin, a successful dentist - who was handsome and brilliant. Then, in December 2004, Jenn was found dead with a bullet in her head, apparently by suicide. Only later would detectives learn that another woman in Dr Corbin's past had been found years earlier with nearly the exact same wound to the head, also ruled a suicide. In TOO LATE TO SAY GOODBYE, Ann Rule - working in cooperation with victims' families, police investigators, and sources from Georgia to Australia - unravels the now-sensational deaths. What emerges is an incredible tale of jealous rage; of stunning evidence that runs from the steamy to the macabre; and of a fateful, mind-boggling coincidence that appears to have motivated the killings. The definitive unravelling of one of the strangest murder investigations of our time, this is the greatest achievement of a truly great writing career.

The Times Index - 1995

Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Times educational supplement Scotland, and the Times higher education supplement.

Murder Rap - Greg Kading 2011-10-01

An account of how a police detective lead the task force that exposed the facts behind the deaths of rappers Biggie Smalls and Tupac Shakur.

They Said We'd Never Make It - Tammi Menendez 2005-10

The wife of convicted killer Erik Menendez discusses her husband's painful life, his trial for the murder of his parents, the brutality of his life in a maximum security prison, and their struggle to preserve their marriage.

One Cut - Eve Porinchak 2017-05-02

Real stories. Real teens. Real crimes. A backyard brawl turned media circus filled with gang accusations turns a small, quiet town upside down in this second book in the new Simon True series. On May 22, 1995 at 7 p.m. sixteen-year-old Jimmy Farris and seventeen-year-old Mike McLoren were working out outside Mike's backyard fort. Four boys hopped the fence, and a fight broke out inside the dark fort made of two-by-four planks and tarps. Within minutes, both Mike and Jimmy had been stabbed. Jimmy died a short time later. While neighbors knew that the fort was a local hangout where drugs were available, the prosecution depicted the four defendants as gang members, and the crime as gang related. The accusations created a media circus, and added fuel to the growing belief that this affluent, safe, all-white neighborhood was in danger of a full-blown gang war. Four boys stood trial. All four boys faced life sentences. Why? Because of California's Felony Murder Rule. The law states that "a death is considered first degree murder when it is commissioned during one of the following felonies: Arson, Rape, Carjacking, Robbery, Burglary, Mayhem, Kidnapping." In other words, if you—or somebody you are with—intends to commit a felony, and somebody

accidentally dies in the process, all parties can be tried and convicted of first degree murder and sentenced to life without parole, even if nobody had any intention of committing a murder. What really happened that day? Was it a case of robbery gone wrong? Gang activity? Or was it something else?

The Private Diary of Lyle Menendez - Lyle Menendez 1995

Transcripts of telephone conversations and letters provide an unauthorized account of the trial of Lyle Menendez for the murder of his parents

Programmed to Kill - David McGowan 2004

The specter of the marauding serial killer has become a relatively common feature on the American landscape. Reactions to these modern-day monsters range from revulsion to morbid fascination--fascination that is either fed by, or a product of, the saturation coverage provided by print and broadcast media, along with a dizzying array of books, documentary films, websites, and "Movies of the Week." The prevalence in Western culture of images of serial killers (and mass murderers) has created in the public mind a consensus view of what a serial killer is. Most people are aware, to some degree, of the classic serial killer 'profile.' But what if there is a much different 'profile'--one that has not received much media attention? In Programmed to Kill, acclaimed and always controversial author David McGowan takes a fresh look at the lives of many of America's most notorious accused murderers, focusing on the largely hidden patterns that suggest that there may be more to the average serial killer story than meets the eye. Think you know everything there is to know about serial killers? Or is it possible that sometimes what everyone 'knows' to be true isn't really true at all?

A Killer in My House - David Kennedy 2018-09-12

In the early morning hours of June 6th, 1996 residents slept peacefully in their beds as the moon hung over the quiet neighborhood of Dalrock Heights Addition, in the small town of Rowlett Texas. At 2:30 a.m., a 9-1-1 operator received a frantic call for help. Darlie Routier, a 26-year-old wife and mother of three young boys, reported that a knife-wielding intruder had broken into her house, attacking her and her two of her young sons. From a loving wife and mother of three young boys, to inmate #999220 on Texas death row, we will look at the evidence, the witnesses and the testimony to find the truth in the Darlie Routier murder trial. Moreover, for the last time answer the question: Was a killer sentenced to die or was she railroaded? Convenient Suspect - Tammy Mal 2017-11-01

On Thursday, December 15, 1994, Joann Katrinak and her three-month-old son, Alex, went missing from their Catasauqua, Pennsylvania, home. Four months later, when their bodies were found in a lonely patch of woods, the police would launch a three-year investigation leading to the arrest of Patricia Lynne Rorrer—a young mother who had never met either victim—as the monster responsible. In what would become Pennsylvania's first use of mitochondrial DNA in a criminal case, Patricia Rorrer was quickly tried, convicted, and sentenced to life in prison without parole. But did the jury make the right decision? Is Patricia Rorrer truly guilty? As new evidence continues to surface, including allegations of prosecutorial misconduct and evidence tampering, that question requires an answer even more. With a subject matter and storytelling style reminiscent of the hit podcast Serial, Convenient Suspect will appeal to a wide audience. The book reveals information never before made public—information gathered directly from more than 10,000 official documents, including Pennsylvania State Police reports, FBI Files, forensic lab results, and the 6,500-page trial transcript. Through four years of intensive research, countless interviews with those involved, and hundreds of letters, phone calls, and personal visits with Patricia Rorrer, the truth about the evidence used to convict her can finally be revealed.

The Menendez Murders - Robert Rand 2018-09-04

Discover the definitive book on the Menendez case—and the primary source material for NBC's Law and Order True Crime: The Menendez Murders. A successful entertainment executive making \$2 million a year. His former beauty queen wife. Their two sons on the fast track to success. But it was all a façade. The Menendez saga has captivated the American public since 1989. The killing of José and Kitty Menendez on a quiet Sunday evening in Beverly Hills didn't make the cover of People magazine until the arrest of their sons seven months later, and the case developed an intense cult following. When the first Menendez trial began in July 1993, the public was convinced that Lyle and Erik were a pair of greedy rich kids who had killed loving, devoted parents. But the real story remained buried beneath years of dark secrets. Until now.

Journalist Robert Rand, who originally reported on the case for the Miami Herald and Playboy, has followed the Menendez murders from the beginning and has continued investigating and interviewing key sources for 28 years. Rand is the only reporter who covered the original investigation as well as both trials. With unparalleled access to the Menendez family and their history, including interviews with both brothers before and after their arrest, Rand has uncovered extraordinary details that certainly would have changed the fate of the brothers' first-degree murder conviction and sentencing to life without parole. In *The Menendez Murders: The Shocking Untold Story of the Menedez Family and the Killings That Stunned the Nation*, Rand shares these intimate, never-before-revealed findings, including a deeply disturbing history of child abuse and sexual molestation in the Menendez family going back generations, and the shocking admission O.J. Simpson made to one of the Menendez brothers when they were inmates at the L.A. County Men's Central Jail.

Careless Whispers - Carlton Stowers 2001-01-15

When the bodies of three teenagers were found on the shores of Lake Waco, Texas in July, 1982, even seasoned lawmen were taken aback by the savage mutilation and degradation they had been subjected to. Yet only 52 days after the gruesome triple-murder was discovered, frustrated authorities suspended the case indefinitely. Patrol Sergeant Truman Simons, who had been called to the scene that night, saw the carnage first-hand -- and vowed to find the ferocious killer or killers. He soon became a man with a mission, risking his career and his family's safety in search of evidence. Plunging himself into a netherworld of violence and evil, Simons finally got close enough to a murderous ringleader to hear his careless whispers-- and ultimately, put him and his three accomplices behind bars for the brutal slayings. Now, in his Edgar Award-winning account of the Lake Waco killings, acclaimed true crime writer Carlton Stowers lays bare the facts behind the tragic crimes, the twisted predators, and the heroic man who broke the investigation-- with important updated information based on new developments in the case.

Prosecutorial Misconduct - Joseph F. Lawless 2008-01-01

Heroism, Celebrity and Therapy in Nurse Jackie - Christopher Pullen 2018-08-06

This book presents an examination of the television series *Nurse Jackie*, making connections between the representational processes and the audience consumption of the series. A key point of reference is the political and performative potential of *Nurse Jackie* with regards to its progressive representation of prescription drug addiction and its relationship to the concept of quality television. It deconstructs *Nurse Jackie*'s discursive potential, involving intersections with contemporary notions of genre, celebrity, self-reflexivity, therapy and feminism

Vulgar Favors - Maureen Orth 2010-10-06

Read the true story of the manhunt that inspired *The Assassination of Gianni Versace: American Crime Story*, the acclaimed FX series. "The breadth and thoroughness of [Maureen] Orth's research are often staggering."—*The New York Times* "Fascinating . . . ripe with chilling detail."—*Entertainment Weekly* On July 15, 1997, Gianni Versace was shot and killed on the steps of his Miami Beach mansion by serial killer Andrew Cunanan. But months before Versace's murder, award-winning journalist Maureen Orth was already investigating a major story on Cunanan for *Vanity Fair*. Culled from interviews with more than four hundred people and insights gleaned from thousands of pages of police reports, *Vulgar Favors* tells the complete story of Andrew Cunanan, his unwitting victims, and the moneyed world in which they lived . . . and died. Orth reveals how Cunanan met Versace, and why police and the FBI repeatedly failed to catch him. Here is a gripping odyssey that races across America—from California's wealthy gay underworld to modest Midwestern homes of families mourning the loss of their sons to South Beach and its unapologetic decadence. *Vulgar Favors* is at once a masterwork of investigative journalism and a riveting account of a sociopath, his crimes, and the mysteries he left along the way.

Bad Blood - Don Davis 2017-09-26

They were golden boys who killed with sudden savagery. The trial revealed a dark drama too evil to believe. Handsome, rich, bronzed champion athletes, Erik and Lyle Menendez were the stunning symbols of the California dream. The sons of a high-powered Hollywood executive and his beautiful wife, they lived in a pampered world of Beverly Hills mansions, swimming pools, and private tennis coaches. But the dream

became a nightmare when police found the butchered bodies of the boys' parents, Jose and Kitty, in the family room of their five-million dollar mansion. Only days after the couple was laid to rest, the brothers began an appalling spending spree, buying Rolex watches, designer clothes and a new Porsche. Seven months later, all of Hollywood was stunned when the 18- and 21-year-old brothers were arrested for the horrendous killings. In wrenching testimony, Lyle & Erik accused their father of sexually brutalizing them since they were children—claiming his sadistic acts of perversion and cruel violence drove them to their unspeakable crime. Bestselling author Don Davis takes you inside one of the most riveting cases in California's history, laying to bare the shattering secrets of a tormented family.

Great American Trials - 2002

Presents summaries of some of the most significant and celebrated trials in American history, each with the names of key players, the charges, location, a narrative of circumstances leading up to the trial, the trial itself, the verdict and sentence, and a discussion of the impact of the trial. Arranged chronologically from 1950 through 2001.

The Cult of Violence - John Pearson 2013-05-16

John Pearson knows more about the Krays than anyone alive. *Legend*, starring Tom Hardy, was based on his book *The Profession of Violence* and it was Pearson who exposed the Boothby connection in 1994. In 1967 the twins asked Pearson to write their biography. He remained a confidant of the family and the brothers throughout their trial and prison years. Now Pearson revisits the twins' criminal past and lays bare the truth behind the legend. Drawing upon a mass of first-hand interviews and private information he was unable to use while the Krays were still alive, he finally recounts the chilling untold story of the Kray twins. John Pearson is also the author of *All the Money in the World* (previously titled *Painfully Rich*), now a major motion picture directed by Ridley Scott film and starring Michelle Williams, Mark Wahlberg and Christopher Plumber (nominated for the Oscar for Best Supporting Actor).

The Lincoln Lawyer - Michael Connelly 2020-09

Soon to be a CBS TV series -- the #1 bestselling legal thriller has charismatic defense attorney Mickey Haller taking on a slam-dunk court case involving a Beverly Hills playboy -- but as it spirals into a nightmare, he finds himself in a fight for his life. Mickey Haller is a Lincoln Lawyer, a criminal defense attorney who operates out of the backseat of his Lincoln Town Car, traveling between the far-flung courthouses of Los Angeles to defend clients of every kind. Bikers, con artists, drunk drivers, drug dealers - they're all on Mickey Haller's client list. For him, the law is rarely about guilt or innocence, it's about negotiation and manipulation. Sometimes it's even about justice. A Beverly Hills playboy arrested for attacking a woman he picked up in a bar chooses Haller to defend him, and Mickey has his first high-paying client in years. It is a defense attorney's dream, what they call a franchise case. And as the evidence stacks up, Haller comes to believe this may be the easiest case of his career. Then someone close to him is murdered and Haller discovers that his search for innocence has brought him face-to-face with evil as pure as a flame. To escape without being burned, he must deploy every tactic, feint, and instinct in his arsenal - this time to save his own life.

When a Child Kills - Paul Mones 1992

An exploration of the world of parricide presents the stories of eight children accused of killing their parents, discussing the facts in their cases and the outcome of their trials. Reprint. AB.

Blood Brothers - Ron Soble 1994

Discusses the murders of a rich L.A. businessman and his wife by their two sons, who used a defense of child abuse to obtain a mistrial

The Murders of Molly Southbourne - Tade Thompson 2017-10-03

"A bold outpouring of flesh and crisis at once horrifying and familiar." —*The New York Times* Winner of the 2018 Nommo Award for Best Novella Every time she bleeds a murderer is born. Experience the horror of Tade Thompson's *The Murders of Molly Southbourne*. A finalist for the 2017 BSFA Award, the 2017 Shirley Jackson Award. The rule is simple: don't bleed. For as long as Molly Southbourne can remember, she's been watching herself die. Whenever she bleeds, another molly is born, identical to her in every way and intent on her destruction. Molly knows every way to kill herself, but she also knows that as long as she survives she'll be hunted. No matter how well she follows the rules, eventually the mollies will find her. Can Molly

find a way to stop the tide of blood, or will she meet her end at the hand of a girl who looks just like her? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Shadows of Evil - Carlton Smith 2007-04-01

Claiming he'd been sent by God to confess, truck driver Wayne Adam Ford walked into the Humboldt County Sheriff's Office and admitted to them that he was a serial killer. After police found a gruesome piece of evidence in Ford's pocket, he told them that he had to be stopped before he killed again, before he murdered his ex-wife, and made his beloved three-year-old son an orphan. Authorities arrested the long-haul trucker and listened in horror to his startling confession... Ford was a long-distance trucker who had traveled fourteen western states. Prowling the highways in his big rig tractor-trailer, he picked up young, vulnerable women and then raped, killed, and dismembered them. He scattered some of their bodies in waterways along the road. He kept parts of others for over a year in the freezer of his trailer home. Learn the shocking truth in *Shadows of Evil*--a chilling account of madness, depravity, and murder...

Survived by One - Robert E. Hanlon 2013-08-06

On November 8, 1985, 18-year-old Tom Odle brutally murdered his parents and three siblings in the small southern Illinois town of Mount Vernon, sending shockwaves throughout the nation. The murder of the Odle family remains one of the most horrific family mass murders in U.S. history. Odle was sentenced to death and, after seventeen years on death row, expected a lethal injection to end his life. However, Illinois governor George Ryan's moratorium on the death penalty in 2000, and later commutation of all death sentences in 2003, changed Odle's sentence to natural life. The commutation of his death sentence was an epiphany for Odle. Prior to the commutation of his death sentence, Odle lived in denial, repressing any feelings about his family and his horrible crime. Following the commutation and the removal of the weight of eventual execution associated with his death sentence, he was confronted with an unfamiliar reality. A future. As a result, he realized that he needed to understand why he murdered his family. He reached out to Dr. Robert Hanlon, a neuropsychologist who had examined him in the past. Dr. Hanlon engaged Odle in a therapeutic process of introspection and self-reflection, which became the basis of their collaboration on this book. Hanlon tells a gripping story of Odle's life as an abused child, the life experiences that formed his personality, and his tragic homicidal escalation to mass murder, seamlessly weaving into the narrative Odle's unadorned reflections of his childhood, finding a new family on death row, and his belief in the powers of redemption. As our nation attempts to understand the continual mass murders occurring in the U.S., *Survived by One* sheds some light on the psychological aspects of why and how such acts of extreme carnage may occur. However, *Survived by One* offers a never-been-told perspective from the mass murderer himself, as he searches for the answers concurrently being asked by the nation and the world.

Hope - Amanda Berry 2015-04-27

The #1 New York Times Bestseller A bestselling book that is inspiring the nation: "We have written here about terrible things that we never wanted to think about again . . . Now we want the world to know: we survived, we are free, we love life." Two women kidnapped by infamous Cleveland school-bus driver Ariel Castro share the stories of their abductions, captivity, and dramatic escape On May 6, 2013, Amanda Berry made headlines around the world when she fled a Cleveland home and called 911, saying: "Help me, I'm Amanda Berry. . . . I've been kidnapped, and I've been missing for ten years." A horrifying story rapidly unfolded. Ariel Castro, a local school bus driver, had separately lured Berry, Gina DeJesus, and Michelle Knight to his home, where he kept them chained. In the decade that followed, the three were raped, psychologically abused, and threatened with death. Berry had a daughter—Jocelyn—by their captor. Drawing upon their recollections and the diary kept by Amanda Berry, Berry and Gina DeJesus describe a tale of unimaginable torment, and Pulitzer Prize-winning Washington Post reporters Mary Jordan and Kevin Sullivan interweave the events within Castro's house with original reporting on efforts to find the missing girls. The full story behind the headlines—including details never previously released on Castro's life and motivations—*Hope* is a harrowing yet inspiring chronicle of two women whose courage, ingenuity, and resourcefulness ultimately delivered them back to their lives and families.

ABA Journal - 1996-10

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

RedHanded - Suruthi Bala 2021-09-14

2021 Listeners' Choice British Podcast Awards Winner What is it about killers, cult leaders, cannibals, cults, and criminals that capture our imaginations even as they terrify and disturb us? How do we responsibly consume these kinds of stories as entertainment, and more importantly, what can we learn from them? *RedHanded* rejects the narrative of killers as monsters and that a victim "was in the wrong place at the wrong time," and instead tells the stories we want to hear in a way that challenges perceptions and asks the hard questions about society, gender, poverty, culture, and even our politics. After meeting at a party in London where they both discovered they listened to the same murder podcasts, Hannah Maguire and Suruthi Bala drunkenly promised to one day start their own true crime podcast together and the rest is history. From the hosts of the hit true crime podcast *RedHanded* (dubbed by Rick & Morty creator Dan Harmon as the "best true crime podcast I've heard, ever"), Hannah Maguire and Suruthi Bala have amassed a cult following of "spooky bitches" amounting to an incredibly strong 63k downloads per episode and 728k backlist downloads every month in the US alone. With candor, humor, interviews with experts, research on real-life cases, and an unflinching dissection of what makes a killer tick, Bala and Maguire take us through the societal, behavioral, and cultural phenomena that make victims -- and their murderers -- our collective responsibility and to find out once and for all: what makes a killer tick?

#NeverAgain - David Hogg 2018-06-19

NEW YORK TIMES BESTSELLER • From two survivors of the Parkland, Florida, shooting comes a declaration for our times, and an in-depth look at the making of the #NeverAgain movement. On February 14, 2018, seventeen-year-old David Hogg and his fourteen-year-old sister, Lauren, went to school at Marjory Stoneman Douglas High School, like any normal Wednesday. That day, of course, the world changed. By the next morning, with seventeen classmates and faculty dead, they had joined the leadership of a movement to save their own lives, and the lives of all other young people in America. It's a leadership position they did not seek, and did not want--but events gave them no choice. The morning after the massacre, David Hogg told CNN: "We're children. You guys are the adults. You need to take some action and play a role. Work together. Get over your politics and get something done." This book is a manifesto for the movement begun that day, one that has already changed America--with voices of a new generation that are speaking truth to power, and are determined to succeed where their elders have failed. With moral force and clarity, a new generation has made it clear that problems previously deemed unsolvable due to powerful lobbies and political cowardice will be theirs to solve. Born just after Columbine and raised amid seemingly endless war and routine active shooter drills, this generation now says, Enough. This book is their statement of purpose, and the story of their lives. It is the essential guide to the #NeverAgain movement.

Stay Sexy & Don't Get Murdered - Karen Kilgariff 2019-05-28

The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast *My Favorite Murder!* Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the nation. In *Stay Sexy & Don't Get Murdered*, Karen and Georgia focus on the importance of self-advocating and valuing personal safety over being 'nice' or 'helpful.' They delve into their own pasts, true crime stories, and beyond to discuss meaningful cultural and societal issues with fierce empathy and unapologetic frankness. "In many respects, *Stay Sexy & Don't Get Murdered* distills the *My Favorite Murder* podcast into its most essential elements: Georgia and Karen. They lay themselves bare on the page, in all of their neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way." —Entertainment Weekly "Like the podcast, the book offers funny, feminist advice for survival—both in the sense of not getting killed and just, like, getting a job and working through your personal shit so you can pay your bills and have friends." —Rolling Stone At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Careless Whispers - Carlton Stowers 2001-01-15

An updated edition of the Edgar Award-winning true crime classic describes the brutal murders of three

young people near Lake Waco, Texas, describes the lengthy police investigation into the killings, and covers the trials and convictions of the murderers. Reissue.
