## **Introduction to Geological Mapping** - Rafael Ramón-Lluch 2005-01

This text tries to overcome the lack of existing literature linking theoretical concepts and practical exercises in geological maps. This book starts from cutout plates, continues relating basic cartographic elements with topography and finishes interpreting more complicated geological maps, as a result of many years of selecting, preparing and experimenting with several map exercises. This book may be a useful resource at every level in which geological mapping is taught. By learning basic geological structures and their cartographic representation it should be possible to interpret advanced geological maps.

**A Concise History of Spain** - William D. Phillips, Jr 2010-07-01

The rich cultural and political life of Spain has emerged from its complex history, from the diversity of its peoples, and from continual contact with outside influences. This book traces that history from prehistoric times to the present, focusing particularly on culture, society, politics, and personalities. Written in an engaging style, it introduces readers to the key themes that have shaped Spain's history and culture. These include its varied landscapes and climates; the impact of waves of diverse human migrations; the importance of its location as a bridge between the Atlantic and the Mediterranean and Europe and Africa; and religion, particularly militant Catholic Christianity and its centuries of conflict with Islam and Protestantism, as well as debates over the place of the Church in modern Spain. Illustrations, maps, and a guide to further reading, major cultural figures, and places to see, make the history of this fascinating country come alive.

Guardian Angel House - Kathy Clark 2009-04-01

Based on the true story of two sisters sheltered from the Nazis by a group of Catholic nuns during World War II. Mama had always told twelve-year-old Susan that there was no safe place for a Jew, especially in German-occupied Hungary in 1944. Susan is skeptical and afraid when she and her little sister, Vera, are sent to a convent to be kept "safe" from the Nazis. Susan and Vera find their lives transformed and soon discover the true nature of courage when they are sheltered by a group of nuns who risk their lives to protect them. "Guardian Angel House" was

the nickname given to a convent operated by the Sisters of Charity in Budapest that sheltered over 120 Jewish children in German-occupied Hungary during World War II. This book tells the story of author Kathy Clark's mother and aunt, who were sheltered there by the nuns. Includes historical photographs and notes about the author's family and the Hungarian convent that became known as "Guardian Angel House."
