Learn German Step by Step - Lucas Jagger 2016-09-03

This book, *Learn German Step by Step: German Language Practical Guide for Beginners* is written for the person that wants to comprehensively study German to become fluent in German. In this book we teach you * A Brief History of the German Language * The Influence of German upon English * German Alphabet * German Pronunciation * Basic Grammar Rules * Gender and Plurals * Cognates * Negative Sentences or Negation * Three Forms of Questions * Basic German Verbs * Formal and Informal German This book will get you through the initial process of understanding the German language, with advanced terminology and vocabulary. German, It is a language that is spoken by many people who live in Europe. It is also one of the languages that you will find when looking at scientific journals. Many people believe that German is one of the hardest languages to learn. However, that is not true. When you are learning the German language, you will find that there are many similarities between English and German. Not only that, but German is a phonetic language. With this book, you are going to be learning the basics of how to speak German. With these instructions, you will learn how to pronounce German words and the different grammar rules that are required when it comes to the different verbs and their forms. Also, you are going to learn some interesting ways that you can learn the language and some programs and applications that you can use in order to help move the process of learning a new language along a little easier. Last but not least, you are going to find out how you can use German in the real world. Not only are you going to see some of the ways that German can affect one's job, but how you can use German as you are traveling. The best way that you can learn how to speak German properly is to be able to lose yourself completely inside of the culture. There are ways that this can be done, and it is discussed in the chapters of this book! It does not matter what your reasoning behind wanting to learn German is, all that matters is that you know the reason and that you are able to fulfill your goal. Hopefully, through the use of this book, you will be able to begin the journey towards fulfilling that goal

Language Hacking German - Benny Lewis 2017-11-14

It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to

learn a language any more.

Colloquial German 2 - Annette Duensing 2015-08-27

Do you know German already and want to go a stage further? If you're planning a visit to Germany, need to brush up your German for work, or are simply doing a course, *Colloquial German 2* is the ideal way to refresh your knowledge of the language and to extend your skills. *Colloquial German 2* is designed to help those involved in self-study; structured to give you the opportunity to listen to and read lots of modern, everyday German. German Quickly - April Wilson 1993

German Quickly: A Grammar for Reading German is a thorough, straightforward textbook with a sense of fun. It teaches the fundamentals for reading German literary and scholarly texts of all levels and difficulty. It can be used as an introductory text for students with no background in German, or it can serve as a reference text for students wishing to review German. The grammar explanations are detailed and clear, and the accompanying reading selections, consisting partly of aphorisms and

proverbs, are intriguing. There are also many informative appendices, including a summary of German grammar, a detailed description of German dictionaries currently available, and a vocabulary list of 3200 words that are commonly encountered in scholarly writings.

Easy Spanish Step-By-Step - Barbara Bregstein 2005-12-23

Numerous exercises and engaging readings help learners quickly build their Spanish speaking and comprehension prowess.

German - Polyglot Language Learning 2018-10-07

Millions of people learn German but only a very small percentage of learners can actually speak it fluently. Why is that? People in general are quick to point out that some are naturally built more than others to learn German and other languages. This is not necessarily true, however, since we have all come to learn and speak our native language fluently. If you find yourself overwhelmed trying to memorize thousands of German vocabulary words or struggling to speak German with native speakers, try this book! This is not a textbook designed to teach German but a book that will teach you how to learn German the smart way and get you to fluency faster using highly effective language learning methods and techniques. There exists hundreds of German language coursebooks, German short stories books, German phrasebooks, but without smart language learning techniques and strategies, you are likely to forget what you have studied and reviewed and especially during a conversation. There exists an easier and more fun way to build your overall German language ability. In How to Get Really Good at German, discover how you can easily conquer German language learning using highly effective methods and strategies used by polyglots (language learning experts). These methods and techniques can even be used to help you learn German vocabulary and grammar from TV shows, videos, music, and video games. Start learning German smarter and faster today!

Learn German - Dave Smith 2018-09-15

Learning German Made Easy... Anyone looking to break the monolingual mold which so many native English speakers find themselves enclosed in will invariably find this book to be helpful. Here, we have a plethora of tips and techniques for learning German, as well as virtually any other language the reader can think of. If you are in search for a book on the subject of German learning, this would be the first for you to consider. Some of the numerous topics covered in this book are as follows: What it means to learn Standard German High German and Low German Finding your passion for learning German Turning a chore into inspiration Learning German by immersing yourself deeply within German culture Finding native speakers to improve your overall understanding of the language and its culture How to beat the most difficult part of learning the German language Learning German in a more formal class environment And Much More... This is just a general outline though, this book more specifically covers study techniques applicable to any field, the culture of Germany as well as the rest of German speaking Europe, some of the history of the language and its various dialects, steps for beginning the study of the language, and learning German inside (and outside) of formal class settings. All these topics covered should coalesce into something of value to the reader which can be carried over and utilized by him or her in the future. The overarching purpose of this book is not to teach German, as that would be impossible within the pages here, but more so to give the reader some tools for independent study in the future and help him or her to become a great solver of the problems which come with learning a new language. Don't wait another moment to enjoy from this information - Get your copy of Incas right away!

Correctly.* Pronunciation and Spelling* Conjugation Patterns, German Tenses* Number and Gender of Nouns* Declension Patterns, German Cases* Articles, Pronouns, Prepositions and Conjunctions* Word Order in Declarative and Interrogative Sentences* Cardinal and Ordinal Numbers, Date and Time* Direct and Indirect Objects* Verb Forms, Participles* Special Verbs - Modal and Reflexive Verbs* Verbs with Separable and Inseparable Prefixes* Comparison of Adjectives and Adverbs* Possessives* Diminutives* Compound Nouns* Ways to Express the Future* Compound and Complex Sentences, Coordination and Subordination of Clauses* Passive Voice* ... and much more Become a Highly Skilled User of German - It's All Well Within Your Reach. German is definitely one of the most popular languages in the world. There's a whole bunch of benefits to knowing German. Let me just mention a few. In our global society you can make use of it in business, becoming a more valuable worker, in private life, on vacation, chatting online, reading Goethe or watching satellite TV. In some parts of the world, like for instance in Europe, German is taught as the foreign language number two, just after English. And I could go on and on like that... This is an intensive course, which means it covers the basics from level zero (absolute beginner) and then you wander across all the lectures and learn quite a lot of stuff. The language is concise and clear. You should have no difficulty following it and understanding. A lot of stuff and a lot of practice. **Contents and Overview** This course is pretty comprehensive. It contains all the basic areas of German grammar. Starting off with German spelling and pronunciation, touching upon all the main grammatical categories in the first sections and then going into much more detail in the following sections. The language I use is simple and should be easily understood by absolute beginners. This course is divided into 16 sections, each of them covering a broad topic subdivided into lectures. The pace is up to you, you can go through the easier parts faster and then take more time to study the more sophisticated ones. At the end of my course, students will be able to... - use full, grammatically correct sentences- read and write simple texts- apply the rules of the language to make an infinite number of utterances - talk about yourself, other people, animals, things and whatever- talk / write about the present, the past and the future- pronounce and spell German words correctly- ask questions and answer them both positively and negatively- give orders and commands, ask someone to do something for you- count and talk about numbers, date and time- describe and compare people and things- modify your language by means of adverbs and other linguistic means- use the correct conjugation and declension patterns- much more Who should take this course? Who should not? - This course is best suited for students who want to learn German in a systematic way, diving into its grammar and being eager to understand how the language works, how all the inflections, articles, tenses, cases etc. should be used correctly.- This is a beginner course but is also suitable for students who already have some knowledge of German but would like to refresh it in an ordered and systematic way.- This course is NOT suitable for students who only want to learn some everyday vocabulary or expressions like how to order food in a restaurant, book a ticket or something like that but don't care about grammar.

German - Heimy Taylor 2007-08-10

German A Self-Teaching Guide Learn German at your own pace Sprechen Sie Deutsch? Now you can learn how--quickly and easily--with a practical guide that gives you the tools you need to speak and understand German. Completely revised and updated with applications of the new German spelling rules, this user-friendly guide provides you with the basic vocabulary and grammar you need to start speaking German right away. Like all Self-Teaching Guides, German allows you to build gradually on what you have learned--at your own pace. Questions and self-tests reinforce the information in each chapter and allow you to skip ahead or focus on specific areas of concern. Packed with useful, up-to-date information, this clear, concise volume is a valuable learning tool and reference source for anyone who wants to improve his or her understanding of basic German. See inside for CD and audiocassette ordering information.

Fluent in 3 Months - Benny Lewis 2014-03-11

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to

finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

The Awful German Language - Mark Twain 1880-05-15

"The Awful German Language" is a humorous examination of the German language and the frustrations a native English speaker may have when learning it. The essay was published as Appendix D of "A Tramp Abroad" by Mark Twain in 1880.

If you're looking for a book that offers a method for mastering a language in few simple steps, this isn't it. If you want a book that can make you fluent in German in no time, this also isn't it. In fact, if you found a book or any language learning resource promising those kinds of things, throw them away. Learning a new language takes time and dedication. Unless you're gifted, there's no shortcut. So, what can you expect from this book? Chapter 1 is all about the basics. You'll learn about the German alphabet, which is similar to the English alphabet but sounds differently, how to pronounce words the right way, and how to deal with numbers. This chapter will also show you that you already know a significant amount of German words even before you decided to study it. The second chapter deals with nouns and its companion, the articles. It explains how to identify which nouns are masculine, feminine, or neuter and how to form the plural. As an English speaker, the concept of having gendered nouns may be unusual. This chapter is filled with examples so you can start familiarizing yourself with them. In Chapter 3 you will learn about verbs and how to conjugate them. It also explains the different verb tenses that you are most likely to use and encounter as a beginner in the German language. Chapter 4 is about the German case system. This is one of the topics that makes many learners of the German language scratch their head. Cases may seem strange when you first encounter them but if you're still familiar with the concepts of English grammar, understanding cases won't be difficult and you'll only need to memorize the rules. You'll also learn in this chapter how to form your own simple German sentences. In Chapter 5, you'll learn about adjectives, adverbs, and prepositions. This chapter discusses in detail the different rules on how to properly use these words when you build sentences. Chapters 6 to 10

contains words and expressions that you will find useful for everyday situations and for when you go on a trip to a German-speaking country. Finally, each chapter ends with a set of exercises so you can gauge how well you're doing on your German learning journey. So, if you want to improve your reading, writing, and speaking skills in this language, you need to make a change. Decide for yourself that you want to gain more opportunities. Take this risk. You will not regret it. This book is everything you need as a beginner. So, what are you still waiting for? Start reading this book to fulfill your goals! The Gene Keys - Richard Rudd 2013-05-09

The book begins by introducing the reader to a fantastic possibility - that humanity may be on the verge of a major shift in consciousness rooted in a new understanding of how our DNA operates - namely that it is programmed directly by the way we think and feel. This is a highly ambitious and sophisticated system for shaping one's destiny. Based around 64 archetypes, it resembles the I Ching in its vast scope and profound importance, and in the resonant character of its symbolism. The author shows how there are two ways to approach the Gene Keys - the analogue (holistic) way and the digital (detailed) way. It is the combining of both analogue and digital that results in contemplation - the primary pathway into the Gene Keys. Since our beliefs shape our genes, when we change our beliefs, we change the chemistry of our body. The Gene Keys are an inner language whose central purpose is to transform our core beliefs about ourselves, thus raising our lives onto a new level of awareness. The book works alongside state-of-the-art online profiling software. This software will provide instantaneous free profiles known as 'Hologenetic Profiles', which uses astrological data (time, date and place of birth) to generate a unique sequence of Gene Keys that relate to many aspects of your life, including the underlying genetic patterns governing your relationships, your finances, your health and your life purpose. As the reader contemplates the 64 Gene Keys over time and applies their insights in his or her own life, so one's belief system will begin to change and our DNA will actually start to transform the way we think and feel.

Learn German for Kids - Pro Language Learning

Is Your Child Struggling with German? Help Them Improve Their German Speaking Skills With Fun Games & Captivating Activities! Would you like your child to:

- Get one step closer to speaking German fluently?
- Learn proper and accurate German pronunciation?
- Master German-speaking, listening, and grammar skills?

But you:

- Never learned a single German word in your life?
- Are too busy to think of the teaching material on your own?

There isn't a child in the world who likes doing tedious grammar and vocabulary exercises. However, this book was designed to bring fun into learning. With interesting activity sheets, word searches, and captivating activities, this book will make learning pleasant for everyone! This book was created by qualified teachers and

linguists. Progression throughout each of the topics has been carefully planned as the activities practice only a few of the new words at any one time, and gradually introduce simple sentence structures. Here is what this beginner's guide offers:

- Step-by-step guide for learning German: Follow easy step-by-step directions and help your child learn how to speak German like a native.
- Great for parents who don't know the language: You don't have to speak German to help your child improve their skills. This book is filled with thorough instructions specifically made for children who don't know the language.
- Captivating illustrations: Tons of plain text is not the best motivation for learning, especially when it comes to children. This book is filled with captivating illustrations that will help your child remember new content easily.
- Track your child's progress: There's no point in introducing new lessons if your child hasn't mastered the previous ones. Each section offers fun exercises that will help you track your child's learning progress. Is your child learning German in school? Or, would you just like them to be familiar with one of the most popular languages in the world? This book is here to save the day and help you teach your child a new language but in a fun way! The Wim Hof Method - Wim Hof 2020-10-20

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom." —Wim Hof Wim Hof has a message for each of us: "You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation." With The Wim Hof Method, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as "The Iceman" for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- Breath—Wim's unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- Cold—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body's untapped strength
- Mindset—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- Science—How users of this method have redefined what is medically possible in study after study
- Health—True stories and testimonials from people using the method to overcome disease and chronic illness
- Performance—Increase your endurance, improve recovery time, up your mental game, and more
- Wim's Story—Follow Wim's inspiring personal journey of discovery, tragedy, and triumph
- Spiritual Awakening—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. "This is how we will change the world, one soul at a time," Wim says. "We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction." If you're ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you.
