## *Last Rites* - John Lukacs 2009-02-24

A master historian offers an eloquent and personal auto-history of his life and his ideas. Twenty years ago, John Lukacs paused to set down the history of his own thoughts and beliefs in *Confessions of an Original Sinner*, an adroit blend of autobiography and personal philosophy. Now, in *Last Rites*, he continues and expands his reflections, this time integrating his conception of history and human knowledge with private memories of his wives and loves, and enhancing the book with footnotes from his idiosyncratic diaries. The resulting volume is fascinating and

delightful--an auto-history by a passionate, authentic, brilliant, and witty man. Lukacs begins with a concise rendering of a historical understanding of our world (essential reading for any historian), then follows with trenchant observations on his life in the United States, commentary on his native Hungary and the new meanings it took for him after 1989, and deeply personal portraits of his three wives, about whom he has not written before. He includes also a chapter on his formative memories of May and June 1940 and of Winston Churchill, a subject in some of Lukacs's later studies. *Last Rites* is a richly layered summation combined with a set of extraordinary observations--an original book only John Lukacs could have written. Praise for *Confessions of an Original Sinner*: "[Lukacs] is an often witty and always fascinating--even entertaining--writer."--*Washington Post*

Animal IV - K'WAN 2015-10-31

From the moment Animal's former lover Red Sonja showed up on his doorstep, he knew trouble wouldn't be far behind. It wasn't because the last time he'd seen her, he had been fleeing for his life from a strange island. Nor was it because of the little girl she had in tow, claiming Animal was the father. It was because women like Red Sonja carried trouble around with them like designer purses. He knew getting involved with Sonja again would come at a price, but he had no idea how steep the price would be until it was too late. With his wife gone and his children abducted by a ruthless drug cartel, Animal must lead a suicide mission into the lair of one of the most dangerous assassins in the world, a woman who calls herself Tiger Lily. To go against Tiger Lily and the cartel Animal would need an army, so the call to arms is put out and the streets readily answer. Leading a handful of loyal souls against seemingly insurmountable odds, Animal races against the clock to save his children and put a stop to Tiger Lily and the cartel's plans, while trying to stay one step ahead of the two detectives following the trail of bodies. Things take an unexpected turn when Animal learns a dark truth hidden beneath what he had been led to believe that changes everything, including who can be trusted. When the Grand Design his father had always spoken of is finally revealed Animal will be forced to make the hard choice between love, loyalty, and vengeance.

Two days ago, forty-seven-year-old Glenn Greenwood was diagnosed with terminal lung cancer and given six months left to live. While reflecting on his short life and twenty-year army career, Glenn often ponders what exactly Father LaBrie meant when he recently said, "I'll administer your last rites tomorrow, Glenn, Saturday, but before I do, I want to take you for a short ride, a short trip. I can also administer the sacrament of confession when you want." A short ride? A short trip? Glenn's not sure what that's all about, but when Saturday arrives, and Father LaBrie, as promised, takes Glenn for that short ride in his Ford Explorer on that crisp autumn morning, a destination is reached, and it is there that an event of some three decades past is revisited, an event Glenn buried deep in his mind a long time ago, hoping it would never resurface. Now the incident has resurfaced and it affects his last rites and final confession.

Last Rites - Michael Hampson 2006

Dire Sunday services, shrinking congregations, and financial meltdown are the realities of the contemporary Church of England. In this controversial book, Michael Hampson, who worked as a parish priest for 13 years, examines why the Church of England is in such crisis. He describes a church irreconcilably divided between liberals and evangelicals, shackled by tradition and with little resonance for the laity of modern Britain. He locates the roots of its demise in its history, from the reformation to the ordination of women and beyond. The internal fault lines of the church were exposed in 2003 by the forced resignation of Jeffrey John, the first openly gay man appointed a bishop. Michael Hampson demolishes the damaging arguments against homosexual clergy and movingly describes his own journey to ordination as a gay man within a prejudiced church. In a powerful conclusion, he argues that a radical transformation in both the culture and structure is the one hope for the renewal of the Church of England. This is a fascinating and fiery insider's view of a church that has failed its clergy, its laity, and a nation at large.

First Love, Last Rites - Ian McEwan 1994-01-13

From the Booker Prize winner and bestselling author of *Atonement*—a taut, brooding, and densely atmospheric collection of stories that are as horrifying as anything written by Clive Barker or Stephen King. Here is the collection that first brought Ian McEwan instant recognition as one of the most influential voices writing in England today. These riveting stories show us the ways in which murder can arise out of boredom, perversity can result from adolescent curiosity, and sheer evil might be the solution to unbearable loneliness. These tales disturb but are crafted with a lyricism and intensity that compel us to confront our secret kinship with the horrifying. Don't miss Ian McEwan's new novel, *Lessons*, coming in September!

*Last Rites* - Joseph M. Paprzycki 2009

*Last Rites* is a play about misplaced faith. It unfolds in Camden, New Jersey in 1967 as this blue-collar city experiences the closing of a major shipyard. If the shipyard is the heart of south Camden, then the soul of this working-class neighborhood is Walt's Cafe, a mom and pop corner bar. There you meet the owners, Walt and Sue Evanuk, whose lives revolve around the rhythms of lunch whistles and shipyard work shifts as they serve up beers and sandwiches to steamfitters, welders and shipbuilders. It is here where new rumors about the shipyard's closing are discussed and discounted. You bear witness to the lives of the ship workers, their wives, and the parish priests as they pass through the doors of Walt and Sue's bar and give their testament to the stress and strain that economic and social change has brought to their lives and to their beloved city.

As she's forced to face her wicked past, she learns that the devil is always watching, and no one is coming to save her.

**Ian McEwan's Short Story "First Love, Last Rites" as a Story of Initiation and Adolescence**

- Nina Jungmann 2011-06-07

Essay from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Trier (Anglistik), course: British Short Stories, language: English, abstract: "A young boy, determined to cleanse himself of the embarrassing stigma of his virginity, seduces and beds his 10-year-old sister. A husband, who treasures a nineteenth-century criminal's penis in a jar, "disappears" his wife into a surfaceless plane. A man revenges himself by pouring a pan of boiling oil into the lap of an antagonizing co-worker. An Aunt forces her nephew to don dress and blonde wig before coming down to dinner. Welcome to the world of Ian McEwan" (Slay 9). Ian Russell McEwan was born on the 21st of June in 1948 in Aldershot, England, as the only son of David and Rose McEwan. He spent most his childhood in military outposts such as Singapore and Libya because his father was a soldier of the British army. After having attended a boarding school in Suffolk, he enters the University of Sussex in 1966 where he began writing fiction and also achieved his BA degree in English literature in 1970. One year later he obtained his MA degree at the University of East Anglia, Norwich. In 1975 he published his first short story collection, *First Love, Last Rites*, which was his Master thesis in the subject 'creative writing'. The shocking

stories that are arranged in *First Love, Last Rites* brought him immediate critical compliments and he won the Somerset Maugham Award for their intelligent skills and originality. Most of these stories deal with abnormal sexuality, disorganized family life or claustrophobic tales. In his *Short Stories*, McEwan wrote at the beginning of his career, the protagonists are mostly children or young persons who tell the stories as first person narrators. Wolfgang G. Müller says in his interpretation of the Short story *First Love, Last Rites* that “the attention is drawn to the developmental stage of adolescence with its psychological problems that are especially linked to the first sexual experiences and to the search of gender identity” (translated from Müller 266). Ian McEwan became well known for his “new way of dealing with the topic of initiation where he places special emphasis on transgress and perverse sexual behaviour and also on criminal aspects” (translated from Müller 266). In this term paper the title story *First Love, Last Rites* will be analysed in the context of initiation and adolescence. Hereby, I will firstly introduce some important terms so that I can go on with explaining what an initiation story is. The last part then will be about the short story itself where I will summarize and analyse FLLR

Chester Mudd had called Fable, Texas his home for nearly three decades when the old woman mysteriously showed up one morning, walking her dog. He'd become used to this predictable little town where everyone knew just about everyone else. But his next door neighbor didn't have the first notion who this newcomer was. Neither did his girlfriend. No one seemed to have any idea where this old woman came from or who she was. It was Chester Mudd's riddle. He watched her for one long week. She walked the dog every morning at precisely noon. She walked around the block exactly two times. Every day it took her exactly one half of an hour. This pattern never varied. Until now. Until today. Chester Mudd met the old woman outside on the sidewalk that passed by his front porch. "I am wondering why you are here?" Chester asked the old woman. "What else do you do when you've been dead for thirty years?" she replied. Dead. A ghost. Right here in Fable. Right here in his own home. "What is it like being dead?" The old woman grinned sadly, understanding more already about Fable in one week than Chester had figured out in years. "You tell me," she answered. "I just got here." Life is short. So are these thirteen tales. So read the Last Rites, and get on with the rest of your days.
