Marathi - Rajeshwari V. Pandharipande 2021-09-10

This is a complete grammatical description of Marathi, which belongs to the Indo-European family and is spoken in Maharashtra State in India. It has around 45 million speakers, who comprise about eight per cent of the total population of India. Marathi is particularly interesting from the point of view of its structure: it is a blending of linguistic features of the Indo-European and Dravidian language families. Marathi provides fascinating data for the study of language typology, structural change, and language universals.

*A Functional Account of Marathi's Voice Phenomena* - Prashant Pardeshi 2016-02-02

This book offers a comprehensive account of the formal and semantic aspects of the two most prominent voice phenomena in Marathi, viz. the passive and the causative in the functional-typological framework.

*Grammar of the Marathi Language* - Ebenezer Burgess 1854

*Report of the American Marathi Mission* - American Marathi Mission 1903

Marathi Cinema, Cultural Space, and Liminality - Hrishikesh Sudhakar Ingle 2022-08-01

This book is a critical history of Marathi cinema, from its formative years in the 1920s till the end of 1990s. It is the first work to explore the industrial and aesthetic dynamics of Marathi cinema, and elaborate on the idea of region as performance using the framework of critical socio-spatial analysis. Against the dominance of Hindi cinema, the Marathi film industry, as a regional film practice in India, has developed within a cultural and spatial liminality. This historical situation of the Marathi film industry is formulated here as the shaping and dispersal of a vernacular cultural space; and is traced over a period of seven decades, across genres like the saint-film, social melodramas, and the tamasha film, as well as in urban and mofussil sites of film circulation. The book aims to be a useful resource for students, researchers, and general readers, while attending to a lack of scholarly inquiries on this important regional film culture.

**A Higher Anglo-Marathi Grammar Containing Accidence, Derivation, Syntax on a New Plan with the Analysis of Sentences ...** - Appaji Kashinath Kher 1895

**Centennial Souvenir of the Marathi Mission of the American Board of Commissioners for Foreign Missions 1813-1913** - A. H. Clark 1876

**Formation of the Marathi Language** - J. Bloch 1970

The present work is the english rendering of La formation de la Langue Marathe - a well-known work by Jules Bloch. The original French version was the first systematic undertaking to coordinate data on Marathi languages,- tracing its evolution and development through various stages - from sanskrit Prakrit and Apabhramsa. Jules Bloch was expert in Dravidian languages, specially Tamil and had studied Indo-Aryan languages. He was therefore competent to undertake the study of Marathi language and place it in its whole environment. It is not surprising that the results of his studies stand unchallenged even half a century after the publication of his work.

Marathi Readings - Jai Nimbkar 1983

Marathi - Rame?a Dho?ga?e 2009

Marathi, an Indo-Aryan language, is the official language of Maharashtra, including Mumbai. Father Thomas Stephens, the first English traveler to Goa, a pioneer linguist, wrote "Christa Puran" in Marathi (1616) and "Arte da Lingoa Canarim" in Portuguese, printed in (1640). The latter is a grammar of Konkani, a language closely related to Marathi. It is the first grammar of its kind marking a new grammatical tradition for modern Indo-Aryan languages. The present volume contains an extensive account of Marathi phonology, morphology, word formation and syntax. It succinctly describes the accentual system, special compound verb forms, unique pronominal anaphors, complex agreement due to split ergative system, and special pronominal marking. The book also contains a case study of a child's acquisition of Marathi and an essay on Women's Language, the two topics that are increasingly becoming relevant to the grammar."

Résumé of Marathi Grammar - Babu Vasudeo Devadhar 1926

**A Short History of Marathi Literature** - M. K. Nadkarni 1921

**Marathi Manoos** - Sujata Anandan 2015-08-05

'Thackeray worked to precision to raise an army - you cannot ask questions of senior officers in the army and you have to just do and/or die. In the civilian atmosphere, encouraging them to study, educate themselves or seek more than just jobs as turners and fitters would also mean that they would use their minds to ask questions. Thackeray wanted none of that.' Bal Thackeray had campaigned for the rights of the Marathi Manoos, but what were the effects of Thackeray's legacy on his son Uddhav and his nephew Raj? While the tiger cubs have gained nationwide recognition for their political quirks, the reality is that unlike their godfather they have never been educated in economics, philosophy or the languages and they fear to hold a conversation with the English-language media. While the Shiv Sainiks remain loaders, turners and fitters at the Mazagon Docks or with Air India, left behind in their chawls for generations and occasionally lending muscle to the local dada, Mumbai grew into a city of high-rises and multinationals. In this book Sujata Anandan exposes the many sides of Bal Thackeray's true inheritance.
