**Dragon, Dragon** - John Gardner 2010-11-02

Four tales of fantasy from a twentieth-century literary master—selected as the 1975 New York Times Outstanding Book for Children John Gardner's first children's book takes the traditional fairy tale and turns it on its head. In the title story, a meddlesome dragon meets his match. "The Tailor and the Giant" tells the story of a cowardly man who finally faces his fears. A villainous beast of burden attempts to rid himself of his master in "The Miller's Mule." And in "The Last Piece of Light," a brave young chimney-sweep saves the world from darkness. Filled with irreverent twists on the classic elements of princes and princesses, witches and wizards, and the magical realms that they inhabit, *Dragon, Dragon* is a collection of fun and fantastic tales to be cherished by readers of all ages.

**Lion (Movie Tie-In)** - Saroo Brierley 2016-11-01

First it was a media sensation. Then it became the #1 international bestseller *A Long Way Home*. Now it's *Lion*, the major motion picture starring Dev Patel, Nicole Kidman, and Rooney Mara—nominated for six Academy Awards! This is the miraculous and triumphant story of Saroo Brierley, a young man who used Google Earth to rediscover his childhood life and home in an incredible journey from India to Australia and back again... At only five years old, Saroo Brierley got lost on a train in India. Unable to read or write or recall the name of his hometown or even his own last name, he survived alone for weeks on the rough streets of Calcutta before ultimately being transferred to an agency and adopted by a couple in Australia. Despite his gratitude, Brierley always wondered about his origins. Eventually, with the advent of Google Earth, he had the opportunity to look for the needle in a haystack he once called home, and pore over satellite images for landmarks he might recognize or mathematical equations that might further narrow down the labyrinthine map of India. One day, after years of searching, he miraculously found what he was looking for and set off to find his family. *Lion* is a moving, poignant, and inspirational true story of survival and triumph against incredible odds. It celebrates the importance of never letting go of what drives the human spirit: hope. Previously published as *A Long Way Home* *Timeless Voices, Timeless Themes* - Heidi Hayes Jacobs 2000-01-01

*Undoing Privilege* - Professor Bob Pease 2013-04-04

For every group that is oppressed, another group is privileged. In *Undoing Privilege*, Bob Pease argues that privilege, as the other side of oppression, has received insufficient attention in both critical theories and in the practices of social change. As a result, dominant groups have been allowed to reinforce their dominance. *Undoing Privilege* explores the main sites of privilege, from Western dominance, class elitism, and white and patriarchal privilege to the less-examined sites of heterosexual and able-bodied privilege. Pease points out that while the vast majority of people may be oppressed on one level, many are also privileged on another. He also demonstrates how members of privileged groups can engage critically with their own dominant position, and explores the potential and limitations of them becoming allies against oppression and their own unearned privilege. This is an essential book for all who are concerned about developing theories and practices for a socially just world.

**Canons and Contexts** - Paul Lauter 1991

The essays in this volume represent the author's effort to reconstruct American literature by establishing a theory of "canonical criticism", which aims to open up the canon of American literature to the works of women, minorities and working-class writers.
