Examples & Explanations for Copyright - Stephen M. McJohn 2021-03-17
A favorite classroom prep tool of successful students that is often recommended by professors, the Examples & Explanations (E&E) series provides an alternative perspective to help you understand your casebook and in-class lectures. Each E&E offers hypothetical questions

complemented by detailed explanations that allow you to test your knowledge of the topics in your courses and compare your own analysis. Here's why you need an E&E to help you study throughout the semester: Clear explanations of each class topic, in a conversational, funny style. Features hypotheticals similar to those presented in class, with corresponding analysis so you can use them during the semester to test your understanding, and again at exam time to help you review. It offers coverage that works with ALL the major casebooks, and suits any class on a given topic. The Examples & Explanations series has been ranked the most popular study aid among law students because it is equally as helpful from the first day of class through the final exam.

Business Communication: Essential Strategies for 21st Century Managers, 2nd Edition" - Shalini Verma 2014

This book *Business Communication: Essential Strategies for Twenty-first Century Managers* brings together application-based knowledge and necessary workforce competencies in the field of communication. The second edition utilizes well-researched content and application-based pedagogical tools to present to the readers a thorough analysis on how communication skills can become a strategic asset to build a successful managerial career. With the second edition, Teaching Resource Material in the form of a Companion Website is also being provided. This book must be read by students of MBA, practicing managers, executives, corporate trainers and professors.

KEY FEATURES

- Learning Objectives: They appear at the beginning of each chapter and enumerate the topics/concepts that the readers would gain an insight into after reading the chapter
- Marginalia: These are spread across the body of each chapter to clarify and highlight the key points
- Case Study 1: It sets the stage for the areas to be discussed in the concerned chapter
- Case Study 2: It presents real-world scenarios and challenges to help students learn through the case analysis method
- Tech World: It throws light on the latest advancements in communication technology and how real-time business houses are leveraging them to stay ahead of their competitors
- Communication Snippet: It talks about real organizations/people at workplaces, their on-job communication challenges and their use of multiple communication channels to gain a competitive edge
- Summary: It helps recapitulate the different topics discussed in the chapter
- Review and Discussion Questions: These help readers assess their understanding of the different topics discussed in the chapter
- Applying Ethics: These deal with situation-based ethical dilemmas faced by real managers in their professional lives
- Simulation-based Exercise: It is a roleplay management game that helps readers simulate real managers or workplace situations, and thereby enables students to apply the theoretical concepts
- Experiential Learning: It provides two caselets, each followed by an Individual Activity and a Team Activity, based on real-time business processes that help readers □feel□ or □experience□ the concepts and theories they learn in the concerned chapter to gain hands-on experience
- References: These are given at the

end of each chapter for the concepts and theories discussed in the chapter

The Gift of the Gab - Hory Sankar Mukerjee 2019-11-11

The trick of moving from 'average' to 'outstanding' lies in 'communication'. When you are able to articulate, present and write better than others, you move into the extraordinary league. While most of us agree to these positive effects of communication, we conveniently ignore the downside of communication breakdown, which can lead to stunted professional growth. *The Gift of the Gab: The Subtle Art of Communicating* will help you develop a communication strategy that can lead to improvements in your working style. Choosing the right words, listening well and getting your message across eloquently are skills that can be perfected. By changing your communication strategy you can increase your motivation, and improve your productivity and profitability at work. This book is a corporate guide that can help you become the person you aspire to be.

Managing a Nonprofit Organization in the Twenty-First Century -

Thomas Wolf 2009-12-15

Since this classic work was originally published in 1984, there have been major shifts in the nonprofit world -- the growth of more profit-oriented ventures, the overhaul of accounting rules, new partnerships, and an emphasis on customer-oriented service and leadership. In easy-to-understand language, Thomas Wolf explains how to cope with these changes and deal with the traditional challenges of managing staff, trustees, and volunteers.

[The Puritan Gift](#) - Kenneth Hopper 2007-02-23

Where does the Protestant work ethic come from? And how did America achieve such dominance in management for so long? "The Puritan Gift" traces the origins and the characteristics of American managerial culture which, in the course of three centuries, turned a group of small colonies into the greatest economic and political power on earth. It argues that the drive, energy and acceptance of innovation, competition, growth and social mobility, all of which lie at the root of America's management culture, have their origins in the discipline and ethos of America's first wave of European immigrants: the Puritans. And, the authors warn, as Americans distance themselves from the core values which produced their business and economic successes during the nineteenth and twentieth centuries, they put their future prosperity and security at risk. This is an original exploration of the dramatic and far-reaching

consequences of the Puritans' 'gift' to America - the ethos which produced the early success of America and what came to be known as the American dream.

Fundraising Basics - Barbara L. Ciconte 2008-12-18

As nonprofit organizations face heightened scrutiny by the general public, donors, regulators, and members of Congress, the Third Edition of the essential book on the basics of fundraising provides new, up-to-date and valuable information that every fundraiser needs to know. With ethics and accountability being the primary theme of the Third Edition, this practical guide will continue to provide an overview of the field and give development staff, managers, and directors a platform from which to operate their fundraising programs. The new edition also provides much needed information on giving trends, computer hardware and software available for fundraisers, cost estimates and workflow timetables, and the importance of the Internet. This primer remains a must-have for anyone new to the fundraising arena.

Whose Offering Plate is It? - J. Clif Christopher 2010

"Clif Christopher is a gift to the Church. His efforts to help churches leaders and individuals to understand the relationship of giving to a devoted faith and the Kingdom of God have had an incalculable impact." Adam Hamilton, author of When Christians Get it Wrong "No one knows money better than Clif Christopher. In this sequel to his best-selling book, Not Your Parents' Offering Plate, Christopher answers real life questions about money and the church that he has been asked over the years in his work in fund raising. As always he pulls no punches. You can trust what you read in this book." Bill Easum, coauthor of Ministry in Hard Times "Clif Christopher answers the questions most on the minds of pastors and congregational leaders today about the challenges and opportunities of funding the church's mission. His straightforward writing, growing out of real world experience and deep faith commitment, makes this book immediately useful." Lovett H. Weems, Jr., author of Take the Next Step. Leading Lasting Change in the Church "Whose Offering Plate Is It? is an excellent companion piece to J. Clif Christopher's earlier book Not Your Parents' Offering Plate. In his newest book Christopher addresses the many practical 'how to and 'what does this mean' questions raised in his earlier challenging and ground-breaking book. Once again, Christopher proves to be a savvy and earthy guide as he writes with a candid, no-frills flair which connects with pastors and lay church leaders." William G. Enright, Ph.D., Director of the Lake Institute on Faith & Giving, The Center on Philanthropy at Indiana University
