¿Dónde empieza el alba? ¿Dónde se acaba el día? ¿Por qué millones de estrellas iluminan la bóveda celeste sin que nosotros podamos ver o conocer los mundos a los que pertenecen? ¿Cómo empezó todo? Mi nombre es Adrian, soy astrofísico, especializado en las estrellas extrasolares. La humildad más sincera para un científico es aceptar que nada es imposible. Hoy comprendo lo lejos que estaba de esta humildad hasta la noche en que conocí a Keira. Juntos, viajamos hasta los rincones más alejados del planeta para intentar descifrar los misterios del nacimiento del mundo, pero cuando Keira desapareció mi mundo se apagó, me encerré en mí mismo, seguro de que nunca volvería a ser feliz. Hoy, un misterioso mensaje me ha devuelto la esperanza... Tras El primer día, Marc Levy nos vuelve a cautivar con el desenlace de la aventura más arriesgada de todas: la aventura de amar. Más de veinte millones de lectores confirman a Marc Levy como uno de los escritores más leídos y aclamados de nuestros días.

Seven Days for an Eternity - Marc Levy  
2012-06-01T00:00:00Z

They've tried to destroy each other for centuries,

but they've failed... So God and the Devil plan a contest to finally decide who will rule eternity: each will send their top candidate to earth. The champions will have seven days to draw mankind towards good or evil, respectively. God picks his favorite angel, a ravishing young woman named Zofia. Lucifer picks Lucas, a male demon with devilishly good looks. The battlefield: present day San Francisco. The winner will rule mankind forever after: they have seven days for an eternity. Neither God nor the Devil could foresee that the two rivals, unaware of the other's identity, would cross paths from the very start of the contest. Nor did they imagine that they could fall in love... "A love story that is both funny and moving..." - Le Parisien

**L2 Grammatical Representation and Processing** - Deborah Arteaga 2019-09-19

The chapters in this volume, all written by experts in the field, present an array of new research on second language acquisition (SLA) that touches on several current theoretical debates in the field and present a rich range of new empirical data and a number of innovative findings. The studies address questions relating to ultimate attainment, first language transfer, universal properties of SLA, processing and second language (L2) grammar, and explore a number of grammatical features of the L2: tense, aspect, modality, specificity, definiteness, gender, number, anaphora. These themes are complemented by the study of pragmatic competence in sociocultural aspects of register use. The students investigated in the studies range from heritage speakers to naturalistic learners, to instructed learners and immigrants. Another distinctive feature of this book is the inclusion of pedagogical recommendations based on L2 research, making the book relevant for both SLA researchers and language teachers.

This book explores the fine line between fiction and history and considers how France's cultural production has contributed to shaping the image of the French Resistance. Though an examination of the lenses through which France has regarded its recent past, the book offers a

key to understanding France's national psyche.

Imagining the popular in contemporary French culture - Diana Holmes 2017-10-03

This groundbreaking book is about what 'popular culture' means in France, and how the term's shifting meanings have been negotiated and contested. It represents the first theoretically informed study of the way that popular culture is lived, imagined, fought over and negotiated in modern and contemporary France. It covers a wide range of overarching concerns: the roles of state policy, the market, political ideologies, changing social contexts and new technologies in the construction of the popular. But it also provides a set of specific case studies showing how popular songs, stories, films, TV programmes and language styles have become indispensable elements of 'culture' in France. Deploying yet also rethinking a 'Cultural Studies' approach to the popular, the book therefore challenges dominant views of what French culture really means today.

**Combatientes en la sombra** - Robert Gildea 2016-10-13

El libro más completo sobre la Résistance. La historia de la resistencia francesa es tan fundamental para la identidad francesa que, inevitablemente, ha sido reescrita a lo largo de los años, y su relato se basa en numerosos mitos. La famosa Résistance no fue simplemente un esfuerzo nacional para liberar al país de la ocupación alemana, sino que se enmarca en una amplia lucha internacional, llena de conflictos y divisiones. Incluyó, por supuesto, a republicanos españoles, así como a italianos e incluso alemanes antinazis. La defensa contra el Holocausto trajo además a los resistentes judíos y a cristianos rescatistas. Pero para Francia implicó también una guerra civil por su imperio en África y sus intereses en Oriente Próximo.

Además, el movimiento abarcaba un amplio espectro, des de la extrema derecha hasta la extrema izquierda, en lucha por defender visiones del mundo radicalmente opuestas. Robert Gildea bucea en los testimonios de los resistentes, se pregunta quiénes eran, en qué creían y qué les obligó a asumir aquellos terribles riesgos. Él trae a un primer plano las mujeres resistentes, que la historia dejó de lado. En su afán por cuestionar los mitos que rodean a la resistencia, Gildea construye un relato vívido, fascinante y totalmente novedoso de uno de los momentos más relevantes de la Segunda Guerra Mundial. La crítica ha dicho... «Un libro importante. Gildea combina la historia de arriba hacia abajo con las historias de abajo hacia arriba de quienes planearon, improvisaron, supieron aprovechar las oportunidades y arriesgaron sus vidas.» *The Economist* «Una magnífica contribución a nuestra comprensión del movimiento de resistencia más importante de la Segunda Guerra Mundial.» James A. Warren, *The Daily Beast* «Un enfoque refrescante de este período traumático gracias a los testimonios de primera mano, tanto escritos como orales. Un libro magistral.» *Kirkus Reviews* «De lectura obligada. Un verdadero tour de force.» Guillaume Piketty, profesor de Ciencias Po «Combatientes en la sombra es un espléndido libro sobre la resistencia en Francia a la ocupación alemana durante la II Guerra Mundial.» Jorge M. Reverte

**Les enfants de la liberté** - Marc Levy  
2013-06-06

"Jeannot, tu leur diras de raconter notre histoire, dans leur monde libre. Que nous nous sommes battus pour eux. Tu leur apprendras que rien ne compte plus sur cette terre que cette putain de liberté capable de se soumettre au plus offrant. Tu leur diras aussi que cette grande salope aime l'amour des hommes, et que toujours elle échappera à ceux qui veulent l'emprisonner, qu'elle ira toujours donner la victoire à celui qui la respecte sans jamais espérer la garder dans son lit. Dis-leur, Jeannot, dis-leur de raconter tout cela de ma part, avec leurs mots à eux, ceux

de leur époque. Les miens ne sont faits que des accents de mon pays, du sang que j'ai dans la bouche et sur les mains."

**Being Here** - Marie Darrieussecq 2017-07-03  
'A luminous tale about the courage of the lone female artist.' Joan London Born in Germany in 1876, Paula Modersohn-Becker was the first female artist to paint herself not only naked but pregnant. *Being Here* is a moving account of the life of this ground-breaking Expressionist painter, by the acclaimed French writer Marie Darrieussecq. As her art evolves, Paula is torn between Paris and her home in northern Germany. In Paris she can focus on her work, and mix with artists like Rodin and Monet, or her close friend the poet Rainer Maria Rilke. But Germany is home, and that's where her painter husband Otto lives. Darrieussecq thrillingly describes Paula's discovery of her style and choice of subjects—women, babies, domestic life. She tells the story of her fraught marriage, her ambivalence about combining her passion for her career as an artist with motherhood. And she recounts her tragic death at thirty-one, days after giving birth. Marie Darrieussecq was born in Bayonne in 1969 and is recognized as one of the leading voices of contemporary French literature. Her first novel, *Pig Tales*, was translated into thirty-five languages. In 2013 she was awarded the Prix Médicis and the Prix des Prix. Text publishes her three most recent novels, *Tom Is Dead*, *All the Way and Men*, as well as *Being Here*, *The Life of Paula Modersohn-Becker*. 'Marie Darrieussecq reads the testament of Modersohn-Becker—the letters, the diaries, and above all the paintings—with a burning intelligence and a fierce hold on what it meant and means to be a woman and an artist.' J.M. Coetzee 'There are few writers who may have changed my perception of the world, but Darrieussecq is one of them.' *The Times* 'The internationally celebrated author who illuminates those parts of life other writers cannot or do not want to reach.' *Independent* 'Penny Hueston's translation from the original French, reads strangely—and in a good way—like true crime...Heartbreaking.' *West Australian* 'A brief, powerful artistic life that went painfully unrewarded—until after the painter's death.' Julian Barnes, *Best Summer Holiday Reads*, *Guardian* [UK] 'Darrieussecq has

written this painful story because of her own sorrow at not knowing Paula Modersohn-Becker and of not knowing of her; sorrow, too, at her early death and truncated creativity.

Darrieussecq looks squarely at a subject that is often too brutal to explore.' Monthly 'Lyrical and touching... Blending historical fact with imaginative flair, Darrieussecq brings her figures to life, imbuing them with emotion, character, and power...Being Here feels almost effortlessly beautiful, a short work of non-fiction told like a flowing piece of fictional prose.' AU Review 'Translated elegantly by Penny Hueston, the study retains some of the spacious, if not capacious quality of the French language and its ability to articulate the phenomena of presence and absence—the continued aliveness of the paintings and the sad and sudden death of the painter.' Conversation 'In Darrieussecq's hands, Modersohn-Becker's story is both individual and exemplary: a frightening, energising fable' Guardian 'Darrieussecq animates the short life of a passionate German artist with vivid, spare prose...This taut biography, written in the present tense, has the urgency and poignancy of the best novels.' Suzy Freeman-Greene, Best Books of 2017, Australian Book Review 'One of those books that catches you by surprise, Being Here is art history that feels like a beautifully crafted novel...It's effortlessly beautiful, and highlights the ever more important need to tell the stories of women in art.' AU Review, Top Ten Books of 2017

**In Another Life** - Marc Levy

2012-06-01T00:00:00Z

An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... Jonathan and Anna are in the final stages of planning their Bostonian high-society wedding, when Peter, an auctioneer for Christie's and Jonathan's best friend, calls with news that will change all of their lives. He has just been informed that a small London art gallery has come in to possession of five canvases by the 19th century artist, Vladimir Radskin. Jonathan, the world's foremost expert on Radskin, immediately understands the significance of the information. If the gallery indeed has five paintings, then the collection could very well include Radskin's final canvas - a painting that has become legendary ever since it went missing in mysterious

circumstances before its public unveiling in 1868. For Jonathan, who has spent the last twenty years of his career searching for this painting, its discovery and authentication would finally establish the under-appreciated Radskin as a true master. For Peter, whose recent auctions have come under fire from the critics, an ensuing high-profile sale would represent an opportunity to salvage his career. When Jonathan meets Clara, the owner of the London gallery, he is overwhelmed by a dizzying sense of déjà-vu. But in the desperate rush to authenticate the fifth painting, he simply puts this strange feeling down to their shared passion for the late Russian painter. He and Clara are both convinced that this breath-taking painting is Radskin's mythical last work, but they need proof: for *The Young Girl in the Red Dress* is unsigned. Their quest takes them from a gallery in Piccadilly to a paint workshop in Florence, from a laboratory in the Louvre to a mysterious manor in the English countryside. The more Jonathan and Clara uncover about Radskin's last painting, the more they discover about themselves: three very different lives, three inextricably intertwined destinies, caught in a race against time. "His writing flows, it is elegant and fast paced... In *Another Life* is *Romeo and Juliet*, set in today's modern world . It's dense, beautiful, and just as tragic." - Paris Match "His stories make us dream, his writing fills us with emotion." - Elle

En leur rendant ce qui leur appartient, nous pourrions enfin vivre sans être l'otage d'un destin qui n'est pas le nôtre. À travers de nombreux récits et exemples passionnants, l'auteure nous guide vers le chemin de la vérité et de la liberté et nous permet ainsi de découvrir les clés de notre véritable identité. « Ce qui est tu à la première
