2019-10-10

Many people dismiss the Bible as a real source of wisdom for every area of life, believing the popular delusion that the Bible is full of mistakes and is no longer relevant to our modern world. However, neglecting and rejecting God's Word has its consequences. There are many questions today that demand answers in our daily lives; we can't avoid them. The Bible is vital in solving (and preventing) the very real problems people face today. A group of 26 topics includes answers to 155 of the most asked questions about the Bible, such as: What was God doing before the beginning? Will we know our loved ones in heaven? When does a baby receive its soul? Can a saved person ever lose their salvation? Under what conditions may Christians divorce & remarry? Will the world be destroyed in a nuclear holocaust? Why did God create Satan? The late Dr. Henry Morris, an acclaimed Christian apologetic scholar, scientist, and author, partnered with Christian counselor Dr. Martin Clark to help you apply the wisdom of the Bible to your personal challenges and nagging questions. These well-researched and referenced answers will fortify your faith in the Bible as the inerrant Word of God and irrefutable source of solutions for life.

[Guided Bible Studies for Hungry Christians](#) - Joanne Holstein 2004

"001 Foundation" is the first book in the Becker Bible Studies series for hungry Christians. It contains 1,057 Biblical workbook questions, each having Biblical references to support the

answers. All lessons progress from simple statements of fact to new and difficult concepts, and are followed by tests written to enrich and challenge the learning process. A readable and comprehensive workbook for both teachers and studies. Although it is possible to use "001 Foundation" for self-study, it is recommended for most students to receive instruction through a teacher, most often in a home setting. The gathering of Christians to learn the Word of God in a setting most conducive to growth, guided by a teacher and in the presence of the Holy Spirit, is the ideal environment for this study of "001 Foundation" to nourish. It is imperative that serious Bible students who are hungry for the Word of God start their study with a solid foundation so everyone is on the same page. Since it is impossible to determine any gaps or misinformation in the foundation of a person's spiritual knowledge, growth, and faith, this first book lays the foundation before the in-depth Bible studies take place. With many more books to follow upon which to build one's spiritual knowledge and faith, "001 Foundation" is the first one with which to get started.
